

Chapter: 2313

He won, and still swallowed a hundred fruits, becoming a powerful existence beyond mortals.

The next step is to go back to the earth.

This trip to the secret realm, I am afraid that many people on the earth are not optimistic about him, thinking that he will definitely die at the hands of Xiaoyao King?

It's just that people are not as good as the sky. He disappointed many people, and he was the one who survived in the end.

Hmph, if the martial world doesn't attack the secular world, it's okay. If the martial world is really obsessed with attacking the secular world, he will impress everyone. Lin Ziming, he is not so easy to provoke!

He looked in the direction of King Xiaoyao again, and found that King Xiaoyao was still stuck there, presumably he couldn't die anymore.

In the following, it was the moment when he returned to earth.

After this thought fell, a beam of light soon began to hit him, and at the same time, he also felt that there was a huge force that was repelling him, and his dislike of him was deepened to an extreme degree.

He knew that this should be the rejection of him by the world.

After all, this world can't tolerate the strong of the gods, the stronger the opponent, the greater the rejection!

With a squeak, Lin Ziming disappeared in place under this beam of light.

When he appeared in the next moment, he was already on earth.

He opened his eyes and felt the familiar air, the familiar gravity, the familiar feeling, and a sincere smile appeared on his face.

He came home.

I'm back on Earth, and this feeling is really good.

But soon, his face stiffened!

Because he found that he didn't even wear clothes on his body.

And, the worst thing is that he is now in a hotel room, and in the room, besides him, there is another woman!

This is embarrassing for me to go!

Lin Ziming didn't even think that something like this would happen.

The atmosphere suddenly became silent.

The woman in the room just got up from the bed, wearing only thin underwear. She just opened her arms and stretched her waist. After opening her eyes, she just saw Lin Ziming standing in front of her, and she was stunned. Lived, my eyes stared far away.

And Lin Ziming is also very embarrassed now, blushing, too embarrassing, he originally thought that he would dominate the world and return to the earth, but he did not expect that it would be such a scene!

If this spreads out, he dignified Lin Ziming, a master of the God Realm who

was fighting in the secret realm, would actually be naked in front of a woman, and I don't know how many people would laugh at him.

“what!!!”

In the brief silence, the woman on the bed finally reacted and let out a scream.

Lin Ziming heard this scream, and immediately only felt his scalp numb. He even had an urge to jump out of the window, but soon he realized that he was naked. If he jumped into the street, then It's worse.

So, he hurried forward, covered the woman's mouth, and said in a low voice: “Don't call, don't call! I'm not a bad person!”

The other party was covered by him and couldn't scream, but when she got so close, her face was pale in fright, and she kept making whining noises. She was terrified and desperately caught Lin Ziming, only to find that, I can't scratch the other's skin at all, but my nails hurt a bit.

She couldn't understand why a man suddenly appeared in this presidential suite, and still...Are all the bodyguards dead!
