

## Chapter: 2314

She is really scared now, because she has never encountered such a thing before when she grows up, and now she is really scared.

She trembled, and after being covered by Lin Ziming's mouth, she resisted desperately, tears streaming down, how afraid she was that the other party would betray her!

However, no matter how she struggled, the other party still held her hand tightly, making her unable to struggle at all.

She regrets it now. She knew that she should have listened to her father in the first place and practiced martial arts well. She has a good skill. When encountering such things, she won't be so passive!

"Uuuuu..."

She kept screaming, tears bursting into her eyes, she looked very pitiful, and after Lin Ziming saw it, she couldn't bear it.

What kind of a thing, he went through a lot of hardships in the secret realm, and finally came back, only to encounter this kind of thing, he only felt that God was making him a huge joke.

So he said softly: "I am not a bad person, I just came here accidentally, because of some special reasons... Well, you don't believe it, anyway, I'm not a bad person, neither I'll try to get you wrong, now I let you go, don't yell, okay?"

Lin Ziming spoke in such a gentle voice, trying not to panic the other party. Perhaps his tone is very good now, which made the other party settle a lot, nodded lightly, and then Lin Ziming let go of his hand.

However, as soon as Lin Ziming released his hand, the other party started yelling, "Help..."

Lin Ziming's expression became stiff, and he heard it immediately. The bodyguard in the hallway had obviously heard the movement and was shocked.

He had to sigh, it seems that he is still careless.

In any case, the way he is now cannot be seen by a third person, otherwise his face will be greatly embarrassed.

He didn't continue to cover the woman's mouth, but with a very fast movement, he quickly grabbed a curtain next to him, pulled it off directly, and quickly wrapped his lower body. After covering his shame, he waited for the bodyguard outside to charge. Come in.

The speed of these bodyguards is very fast, and their aura is not low, they are all innate realm masters, which makes Lin Ziming feel a little surprised.

Being able to let so many masters of the congenital realm be bodyguards shows that the identity of this woman is not simple!

And two of them are actually masters of the third stage of the Innate Realm. Although a master of this level, in front of Lin Ziming, is different from

Ants, but looking at the entire earth, it is still a very powerful existence.

With a bang, the room was suddenly knocked open.

Soon five bodyguards rushed in.

“Miss, what happened?!”

At the forefront is a middle-aged Yixie. In the third stage of the Innate Realm, his aura is very strong, his eyes are wide open, his eyes are piercing, like two big light bulbs!

Soon after he came in, he saw Lin Ziming in the room, and his pupils suddenly shrank.

The other four bodyguards reacted the same way as him. After they saw Lin Ziming, their reaction was great. Especially when they saw Lin Ziming turned out to be shirtless, they became even more intense. Apart from anger, there was also fear. !
