

## Chapter: 2315

Oh my God, they actually let a man break into the eldest lady's boudoir, but they had no reaction at all. If the eldest lady was really defiled by this man, then they would really die!

At this time, the eldest lady on the bed saw the bodyguard coming in, and immediately shouted: "Quickly, you guys get started and catch this pervert! He, he is so disgusting!!!"

After hearing what the eldest lady said, they became even more furious, yelled, and directly started to attack Lin Ziming, and the ultimate move was to slap Lin Ziming directly here.

Lin Ziming frowned slightly. It wasn't that he was afraid, but that he was a master of dignified spirits. Once he returned to the earth, he encountered this kind of thing, which really made him uncomfortable.

But he didn't bother to explain, because he knew that in this case, no matter how he explained it was useless, and the other party would not pay attention to him at all. So the best way is to speak with your fist.

So he just stood there, waiting for them to attack.

And they didn't even take Lin Ziming to heart. Seeing Lin Ziming standing motionless, they thought that Lin Ziming was frightened.

However, when they rushed to Lin Ziming and started to take action, they realized that they had seriously underestimated Lin Ziming's strength.

The reason Lin Ziming didn't move was not because he was scared, but because he simply dismissed them.

But no, facing the attack of these five innate realm masters, Lin Ziming didn't even look at it. He shot directly, slapped it, and slapped the opponent's fist crooked.

At the same time, he also shot continuously, two or three times, and defeated these five innate realm masters, and he did not move a step from beginning to end, and he still stood there, as stable as a mountain.

Of course, Lin Ziming and them had no grievances or hatreds, and did not kill them, but simply taught them a lesson.

"you you you....."

They were knocked down to the ground now, and when they looked at Lin Ziming again, their eyes were completely different, as if they had seen a ghost!

When they faced Lin Ziming just now, they only felt that what they were facing was not a person, but a mountain, a round of deep ocean, unfathomable, and they were simply not able to contend!

"Are you an innate realm Dzogchen master?!"

The most powerful bodyguard yelled out loudly. In his opinion, Lin Ziming's such terrifying strength must be a master of Dzogchen in the innate realm. Only a master of Dzogchen in the innate realm can have such a

terrifying ability. Strength!

They never imagined that there would be an innate realm of Dzogchen masters who were eyeing the eldest lady. In this way, they would have no ability to protect the eldest lady!

And the eldest lady on the bed, seeing her bodyguard, only hit the ground in twos or twos, she was shot by the pervert and fell to the ground. She also opened her eyes wide and looked unbelievable.

Immediately afterwards, she quickly grabbed the quilt and covered her body, shivering.

“You, don’t come here... I am the eldest lady of the Jingwu Group. If you dare to bully me, my dad will not let you go!” The eldest lady said sternly.

Jingwu Group?

Lin Ziming was slightly stunned when he heard these four words. .

He has heard of this existence, it can be said that it is a relatively well-known company in the world, similar to the ancient Wulin League, and its strength is quite strong.
