

Chapter: 2320

Finally, he came back.

Standing in front of the familiar villa, he was very excited.

I'll see Chu Fei soon. I wonder how happy Chu Fei will be?

Counting it down, it has been a long time since he left Chu Fei, and he said that he won't win the newly-weds for a long time. Now that they have been away for so long, seeing them again will definitely be a very pleasant scene.

In addition to Chu Fei, there is also Tao Sanniang, this fairy-like woman, how happy and passionate about her?

Thinking of that scene, Lin Ziming couldn't help smiling.

And mothers, neon clothes, don't they know that they are here?

Originally, with Lin Ziming's current strength, he could completely rely on his own feelings to know who was in the room.

But he didn't do that. He wanted to see them with his eyes and tell them his good news!

Taking a deep breath, Lin Ziming strode in immediately.

However, when he opened the door and was about to go in, suddenly, the door was opened, and a middle-aged woman walked out from inside. It was no one but the mother-in-law.

"mom."

After Lin Ziming saw Liu Suhong, he called out.

After Liu Suhong heard his voice, he was stunned for a moment, then raised his head, and when he saw him, his expression suddenly became wonderful.

However, there was not the kind of surprise that she had imagined, she was happy, but was shocked. Then, her expression was constantly changing, and finally she nodded and said, "Oh, you are back."

Seeing Liu Suhong's reaction, Lin Ziming frowned slightly. He felt something abnormal. His mother-in-law should be very happy to see him.

Now he and his father-in-law have already cleared their previous suspicions. The mother-in-law no longer treats him as indifferently as at the beginning.

But now the mother-in-law's performance is very abnormal!

Moreover, Lin Ziming discovered that the mother-in-law's face was obviously not very good, with some paleness, and, most importantly, the mother-in-law's eyes were a little flushed, and her spirits were not good, and she looked very haggard. , Obviously there is no rest.

Lin Ziming's brain reacted quickly, and he immediately realized it, could it be that during the time he was away, what happened at home?

He took a step forward and said to his mother-in-law: "Mom, you are not in good spirits. Is there something going on at home?"

After hearing his words, the mother-in-law paused obviously, lowered her head, as if she was enduring something, and shook her head and said, "No, nothing happened."

After saying this, she turned around and went into the house.

Not normal, too abnormal!

Lin Ziming could tell at a glance, he knew Liu Suhong very well, and he was certain that something must have happened at home!

Thinking of this, his heart suddenly became heavier. Could it be that during the time he was away, an enemy came to the door?

He didn't have any ink marks, and he strode directly with his mother-in-law and walked into the house. At the same time, his consciousness spread out, covering the entire villa, and he found that there was no Chu Fei breath!

Under what circumstances, is it possible that Chu Fei is not at home?
