

## Chapter: 2321

It shouldn't be. It's the weekend. According to Chu Fei's temperament, Chu Fei should be resting at home at this time!

Then, he immediately spread his consciousness to the entire community, still not having the aura of finding Chu Fei.

Immediately, he had a bad feeling!

After he came in, he found that there was nothing wrong with the family. It was fine, but the situation of his mother-in-law was too wrong.

"Mom, where's Feifei? Why is she not at home?"

After Lin Ziming came in with him, he said in a deep voice.

After the mother-in-law heard this, her footsteps stopped again, but she didn't say anything. Instead, she shook her head and said, "Feifei is not at home."

"Mom!" Lin Ziming stopped her, and said solemnly: "Did something happen at home? Did an enemy come to the door? Mom, you can safely tell me that I'm back now. What's the problem? Will solve it!"

The mother-in-law's eyes flushed, and she glanced at Lin Ziming. She just opened her mouth and was about to speak. At this moment, there was a voice from the upper floor, "Ahem!"

Lin Ziming looked up and found that it was his father-in-law.

"Ziming, you are back." Father-in-law said.

Lin Ziming looked at Chu Huaxiong and said, "Dad, I'm back, and Feifei, why didn't I see her?"

Some sadness and pain flashed in the eyes of father-in-law Chu Huaxiong, but they disappeared quickly. He said: "Oh, Feifei, she has gone abroad and will not be back in a short time. You are back now, hungry. Come on, I'll let your mother cook for you."

Although he concealed it well, much better than his mother-in-law, how could he hide it in front of Lin Ziming.

Originally, Lin Ziming was only a little skeptical, but now that he saw his father-in-law's reaction, his heart sank, and he could be sure that Chu Fei must have something wrong!

And I'm afraid, it's not a trivial matter!

Immediately, he said: "Dad, tell me honestly, how is Feifei?!"

Seeing Lin Ziming's serious and serious expression, his father-in-law couldn't hold back, his eyes were a little red, and he avoided Lin Ziming's stare, shook his head and said, "How about she is going abroad? Went, it will take a while to come back."

Lin Ziming's heart sank even more. He didn't have any ink marks. He directly took out the phone and started calling Chu Fei's number, only to find that Chu Fei's number had become an empty number!

This number, Chu Fei has used for many years, it is impossible to have an

empty number.

But now it has become an empty number, that is to say, Chu Fei must have something wrong!

“An accident happened to Feifei!” Lin Ziming’s originally wonderful mood has become worse now. He finally realized that Chu Fei must have had an accident. He flashed up to his father-in-law Chu Huaxiong and said seriously: “Dad , Tell me frankly, what happened to Feifei! Her phone number became an empty number, and she could not go abroad! Didn’t someone rob Feifei away!!!”

Facing Lin Ziming’s aggressiveness, his father-in-law Chu Huaxiong also lowered his head. His eyes became red and sadness appeared on his face. He shook his head and said in a painful tone: “Ziming, don’t ask me anymore. Feifei she...”

“Feifei, is she, dead?!”

Lin Ziming’s brain exploded, and his body was shaky!

At this time, the mother-in-law who was downstairs couldn’t hold her back. She said: “Ziming, why are you coming back now? Why are you coming back now! Feifei has something wrong with her, she has something wrong!!!”
