

## Chapter: 2325

Lin Ziming couldn't help but sigh, time flies so fast.

However, thinking of those scenes in the past, the corners of his mouth could not help but rise. Although the soldiers he had been in during that period were uncomfortable, in fact, in retrospect, it was a different kind of happiness.

Unconsciously, Chu Fei has become the most important person in his life.

He can lose the whole world, but he can't lose Chu Fei!

This time, no matter who the person who robbed Chu Fei was, no matter how powerful Chu Fei's biological father was, Lin Ziming would never allow him to take Chu Fei away from him!

Lin Ziming stayed in the room, looking at the furnishings and objects in the room, there were memories of him and Chu Fei. Before he knew it, he and Chu Fei's lives were already merged together. He could not imagine that he himself What a gloomy life would be without Chu Fei.

Without Chu Fei, no matter how great he is, no matter how he ruled the world, so what?

After half an hour, Lin Ziming silently put down the photo of him and Chu Fei, and walked out of the room silently, because he had already sensed that Tao Sanniang, mother, and neon clothes had all come here.

When he appeared downstairs, they happened to come in.

After Tao Sanniang saw Lin Ziming, some surprises, longings, and guilt appeared on her face. She walked up to Lin Ziming, bit her lip, and said guiltily: "Ziming, I'm sorry, I'm not done. My charge, there is no protection for Feifei."

Lin Ziming patted her on the shoulder, showing a smile, not to blame her, and said softly: "Nothing, I believe you have done your best, and I will leave the rest to me. ."

Then, he greeted Qin Huayue on the side, "My child has seen my mother."

Qin Huayue nodded, walked over to hold his face, and said softly: "Ziming, it is great that you are back. You have suffered during this time in the secret realm."

Lin Ziming felt his mother's tenderness, that kind of maternal love like the ocean, which made him feel very comfortable and at ease. He showed a smile, shook his head and said: "Nothing, I'm very smooth in the secret realm, and I don't have any suffering, mother, don't worry."

However, Qin Huayue shook her head and said: "Ziming, you still want to lie to us. We have seen all of your things in the secret realm, especially your final battle with King Xiaoyao, which made us all worried to death! That Xiaoyao King is the number one master on the immortal list, and is known as the chosen son of this era. How afraid of you being beaten to death by him."

Hearing this, Lin Ziming was taken aback for a moment, and blurted out, “How do you know that I was fighting King Xiaoyao in the last battle? Are you also in the secret realm?”

After finishing this sentence, without waiting for his mother to speak, he immediately shook his head and denied it, saying: “Impossible, you can’t enter the secret realm. Moreover, within a hundred miles, there were only me and Xiaoyao King. It’s just a human being? How did you know that? Could it be that Xiaoyao Wang died. After he returned to Earth, he spread the message?!”

But when it comes to this, he still shook his head, it shouldn’t be right, because Xiaoyao King was indeed killed by him, and it is impossible to be resurrected!

If this is the case, how did the mother know?

“Mother, how did you know?” Lin Ziming asked outright.

At this time Nishang said: “It’s not just that we know, everyone in the world knows it, everyone knows that they have seen your strength, and that you have killed King Xiaoyao.”

Hearing this, Lin Ziming was even more confused.

“What is going on? How did you know?” Lin Ziming asked again.

Tao Sanniang said: “It’s a live broadcast. A mysterious website suddenly appeared a while ago, and you can see your live broadcast in the secret realm.”
