

Chapter: 2329

Become a fairy directly!

They couldn't help looking at each other, seeing the hope and movement in each other's eyes.

Since Lin Ziming has swallowed a hundred fruits, his strength has definitely reached a level of fear, sure enough, it is really possible to rescue Chu Fei!

Lin Ziming saw their reaction in his eyes and said with a smile: "Mother, neon clothes, can you tell me the truth now?"

Nishang's mouth moved, and when she was about to say it, she was still a step ahead of Qin Huayue, "It's not enough time. I will tell you when the time is right. Now, you should handle your own affairs first. ."

"Mother?!" Lin Ziming became anxious immediately.

But Qin Huayue resolutely said: "This matter is decided in this way. I will tell you when the time is right. Now you must consolidate your realm as much as possible. Ziming, I know you are very good. Ai Chufei, I don't see her being wronged a bit, but your safety is also very important, you know? If you rush to save Feifei now and put yourself in, there is absolutely no way Mom can accept it!"

After hearing these words, Lin Ziming was completely silent. He knew his mother and her character. Since her mother had said everything, no matter what he said, her mother could not change his words.

He sighed heavily and had to give up.

He also knows now that Chu Fei's biological father must be very strong and strong. He is definitely a leader in the realm of the gods, and even ranks in the top three in the world, which makes his mother so jealous.

Knowing this information, Lin Ziming actually doesn't have to wait for Qin Huayue to tell him, he can figure it out himself.

Since it was Chu Fei's biological father who took Chu Fei, the situation is not too bad.

After some weighing, Lin Ziming decided to settle down first.

So he nodded and said: "Okay, Mom, I promise you, when I have enough strength, I will go to Feifei again, anyway, I must bring her back!"

Qin Huayue showed a smile, patted Lin Ziming on the shoulder, and said, "That's right. Ziming, what you have to do now is to increase your strength and influence first."

"Great."

Then Lin Ziming chatted with them a few more things before he started to go to the three places in Xuanyuan.

Now that he is back, he should report.

Before leaving, he called Xuanyuan three places, told himself that he was back, and then went there in person.

On the phone, he could clearly feel Peng Zhuo's excitement and enthusiasm,

saying that he would arrange for someone to pick him up right away. Lin Ziming smiled and rejected his proposal, and it was all right for him to go.

Speaking of it, he hadn't returned to the three places of Xuanyuan for a while, and now he is a master of the God-passing realm, and returned the ball to the three places of Xuanyuan, they would definitely be surprised.

Soon, he went to three places in Xuanyuan.

As soon as he arrived, he found that many people were already standing at the door. When he saw him, they all looked at him with enthusiasm, fanaticism, worship, and excitement!

Then they shouted in unison: "All three of Xuanyuan, warmly welcome the return of Chief Instructor!!"
