At least there are tens of thousands of people in the three places of Xuanyuan, all of them are fierce men, all standing together now, shouting out in a roaring voice, it can be said that the movement brought is extremely huge!

This sentence was spread throughout several kilometers.

It is straight into the sky.

They all stood neatly in front of Lin Ziming, looking at Lin Ziming with fanatical and adoring eyes. In their minds, Lin Ziming was their idol, their god, and the goal they had pursued throughout their lives.

Although Lin Ziming seldom returned to the three places of Xuanyuan, they had heard too many stories about Lin Ziming, and in their minds, Lin Ziming was a person in the three places of Xuanyuan!

Lin Ziming saw this scene, and he was also touched. Although he is now a master of the gods, and he is also a master of the super gods, but his original intention has not changed. He is still the same one before. Lin Ziming, the one with a passion for blood.

In his mind, he is a native of Chinese, and he has a strong sense of family and country.

Now he saw these three Xuanyuan agents in front of him, these compatriots, he really felt warm, and his heart was particularly comfortable.

So he smiled, nodded at them, raised his fist, and said loudly, "Hello! I'm back!"

Hearing these words of Lin Ziming, although it sounds unremarkable, the meaning expressed in them made them all very excited and excited, and they also kept shouting: "Chief instructor! Chief instructor! Chief instructor!"

Peng Zhuo and others on the side saw this scene, and they were also very excited at the same time.

In fact, they are really a little scared. After Lin Ziming returns from the secret realm this time, he will directly deny the three places of Xuanyuan. After all, this means that Lin Ziming is already a powerhouse in the god-passing realm, and as far as his identity is concerned, he has already surpassed the three places of Xuanyuan. There are too many three places in Xuanyuan!

But now it seems that Lin Ziming is not such a person.

In the three places of Xuanyuan, a powerhouse of the God-passing Realm finally appeared!

This is really an extremely exciting and exciting thing.

From then on, the position of Xuanyuan Three will directly surpass Xuanyuan One and Xuanyuan Two, becoming the country's No. 1 spy organization.

After so many years at the three Xuanyuan places, they finally got through it.

“Good good!”

Peng Zhuo also strode forward, patted Lin Ziming’s shoulder vigorously, and said happily: “Instructor Lin, you are back, very good, we are still worried about you!”

Sun Liang, Zhao Xia and others are all excited now, looking at Lin Ziming with worship and respect.

Zhao Xia is a very straightforward person, and he couldn’t help but ask out the fastest, “Instructor Lin, are you already a powerhouse in the God Realm now?”

When these words were asked, the audience calmed down in an instant. Everyone opened their eyes and looked at Lin Ziming tightly, wanting to know the answer.

Although they all knew that Lin Ziming came out of the secret realm smoothly, it actually means that Lin Ziming must be a powerhouse at the realm of the gods, but they didn’t hear Lin Ziming personally say it, and there was still a little frustration.

Lin Ziming saw their expressions in his eyes and smiled. He didn’t answer directly verbally. Instead, he had a powerful aura, like destroying the world and the vicissitudes of life. It burst out and enveloped it all at once. Three places in Xuanyuan!

Everyone was drowned in his incomparably powerful aura, everyone couldn’t help but raised their minds, and even held their breath!
