

Chapter: 2333

Thinking of this, her face flushed.

And her reaction was immediately discovered by the young man, who immediately frowned, feeling particularly upset!

In his mind, Chen Xuejuan was the woman he was fond of, and sooner or later it was his. But now Chen Xuejuan looked at the man's eyes, obviously something was wrong!

He snorted heavily, and said directly to a bodyguard next to him, "Go, bring me that man."

He pointed to Lin Ziming.

The bodyguard is also a master of innate realm, and the realm is not low. After nodding, he hurried over immediately, stopped Lin Ziming, and said very rudely, "My young master, Tell you to come over."

He said this, in his tone of voice, he was clearly using a commanding tone, and after he finished speaking, he still had to attack Lin Ziming, holding on to Lin Ziming's shoulder, he wanted to grab Lin Ziming directly.

Regarding the conversation between the young man and Chen Xuejuan just now, although Lin Ziming was a little apart, he had already heard clearly and knew that Chen Xuejuan had recognized him.

Although Chen Xuejuan is very beautiful and his background is not simple, he is not interested in Lin Ziming at all.

He simply shook his shoulder, then shook the bodyguard's hand out, and said faintly: "It will be avoided in the past. I am not interested in your young master."

After saying this, he went straight ahead, it can be said that it was not a good deal of face.

The bodyguard was visibly stunned for a while, apparently he didn't expect that Lin Ziming's strength was so strong that he could actually shake his hand so easily. Especially with the strength just now, he still feels tingling in his hands now, obviously, the opponent is also a master!

As a result, he became even more rude, and said: "I think you should stay!"

After saying this, he was already behind Lin Ziming and shot directly at Lin Ziming's neck, grabbing Lin Ziming's neck directly.

This kind of behavior can be said to be extremely disrespectful, and he doesn't put Lin Ziming in his eyes at all!

At the same time, he also had absolute confidence. Although he was shaken by Lin Ziming just now, he didn't believe that a young man like Lin Ziming would go there with great power.

It's just that he doesn't know at all, what kind of existence he provoked! !

Lin Ziming couldn't perceive the opponent's action. He frowned. He didn't want to cause trouble, but the other party was so disrespectful to him. If he didn't make a lesson, then he was not worthy of being a master. Realm

strong!

So he snorted coldly and just shot.

When the bodyguard touched him, something strange happened, and the other party seemed to be electrocuted and bounced off violently!

It happened to fall at the feet of that young man!

And when he fell down, he still foamed at the mouth, which was obviously a serious injury!

When the young man saw this scene, his pupils suddenly shrank, and his eyes flashed with anger.

Everyone who beats a dog depends on the owner. Lin Ziming's behavior is to provoke him!
