

## Chapter: 2334

For Situ Jing, this is simply intolerable!

He is not an ordinary dude, but a super genius. He comes from a super martial arts family and ranks among the best in the entire world.

He is only thirty-three years old this year, and he has reached the point where he can pass the gods for half a step, and he can be described as a super genius!

Although he did not even appear on the so-called Sealed Immortal List, he has never considered the so-called Sealed Immortal List. In his opinion, this so-called Sealed Immortal List is nothing but speculation by people with ulterior motives. That's it.

He was determined to win Chen Xuejuan this time. In his opinion, only a woman like Chen Xuejuan could be worthy of her.

And now, a strange man appeared unexpectedly, which made him ashamed in front of Chen Xuejuan!

And most importantly, he can clearly feel that Chen Xuejuan and the man who appeared in front of him clearly know each other! Moreover, Chen Xuejuan looked at the other person's eyes, the relationship was obviously unusual, which for him was even more intolerable.

He snorted heavily, took a step forward, stared at Lin Ziming closely, and said unceremoniously: "You are so brave, who dare to beat my Situ Jing, I think you are living impatiently. Up!"

A powerful aura from Situ Jing radiated out, directly oppressing Lin Ziming, and he had absolute confidence in himself.

Although Lin Ziming easily defeated his subordinates just now, in his opinion, Lin Ziming's strength is at most only the fourth stage of the Innate Realm. Compared with him, there is still a huge difference. Other.

However, he had never thought about it. The man in front of him was not an ordinary person, but a super-dominant existence!

Lin Ziming frowned slightly. He didn't care about the provocation of a small person like Situ Jing. He could also see that the background of the young man in front of him should not be low, most of it was. Born into a family of martial arts.

Now is the eve of the mass attack on the secular world by the martial world. At this time, he believes that all people in the secular world should unite and not fight inwardly. Therefore, he does not want to teach this young man.

So he said lightly: "I'm just an ordinary person passing by, and I don't have any hatred with you."

When he said these words, he was obviously a bit submissive. If anyone who knew Lin Ziming saw this scene, he would definitely be surprised and look at Situ Jing differently.

After all, the current Lin Ziming is a very famous and world-renowned

super powerhouse. Looking at the whole world, Lin Ziming may be so low-pitched, I am afraid that there are no more than three!

It's a pity that the Situ Jing in front of him obviously didn't recognize Lin Ziming, or in other words, he didn't know much about Lin Ziming at all.

So on the contrary, in his opinion, Lin Ziming's behavior of submissiveness was just a scare.

This made him even more adept. He stepped forward again, snorted heavily, and said arrogantly and arrogantly: "Huh! You hit my person, and you dare to run? You don't even ask. Who is Situ Jing?"

When he said this, he also deliberately glanced at Chen Xuejuan who was aside, and the meaning of showing off was obvious.

He wanted to tell Chen Xuejuan through his actions that his strength of Situ Jing was more than that.
