

## Chapter: 2335

However, next, Chen Xuejuan uttered a sentence that surprised him, and at the same time became even more irritated, “Senior Lin, please have a large number of adults. Don’t have the same knowledge as Situ Jing. He is just a junior, not deliberately offended. Your!”

Lin Ziming was indeed a bit angry at first. As far as his capacity is concerned, he has just been able to put his posture so low, which already gives Situ Jing a lot of face, and Situ Jing is not only appreciative, but also even more arrogant, directly speaking out insults. He, this has violated his principles a bit, and he is ready to take a lesson.

But now, since Chen Xuejuan has pleaded like this, he has no knowledge of Situ Jing anymore.

However, he took a deep look at Chen Xuejuan. Through Chen Xuejuan’s words just now, he didn’t know where he was. Obviously, Chen Xuejuan already knew his identity.

But in this way, it also saves him some troubles.

He nodded and said calmly: “Well, for your face, I won’t be as knowledgeable as him. I have something to do, and I’m leaving.”

After saying this, he just turned around to leave.

Indeed, he still has things to do. When he came to Yandu this time, he didn’t come to visit the mountains and rivers, but to find Huangpu Road. He didn’t have any time or interest to play with juniors like Situ Jing.

However, his behavior fell into Situ Jing’s eyes, and he became even more annoyed, even more angry, and his face immediately became red!

By the way, Chen Xuejuan ran over and stopped Lin Ziming, her eyes were shining brightly, she looked nervous and admired, as if she had seen a lifelong idol, even her face was a little red, and she whispered softly: ” Well, Senior Lin, I didn’t recognize you the last time and made you feel wronged. I’m sorry.”

Hearing these words, Lin Ziming’s face immediately showed an awkward smile.

Good guy, this eldest lady, it’s true that which pot is not opened or which pot is to be lifted. What happened last time was so embarrassing. Originally, after Lin Ziming saw her, he kept his face on purpose and didn’t talk about it. The eldest lady still said it out, isn’t this deliberately embarrassing!

“This...” Lin Ziming gave a dry smile on his face and said, “Ahem, I have forgotten, since there is nothing wrong, then I will leave first.”

He kind of wanted to leave here quickly.

But the eldest lady still stopped him, and said with admiring eyes: “Wait, Senior Lin! Can you sign me? I am your fan!”

“This...” Lin Ziming was a little embarrassed at once, signing or something, what a shame.

It's just that since Chen Xuejuan has said everything here, he is not a person who is good at rejecting. After thinking about it, he nodded and said, "Okay, but I don't have a pen."

Chen Xuejuan heard Lin Ziming's promise, and immediately lit up, and said quickly, "I have a pen, I have a pen!"

After speaking, she directly took out a pen from her bag and handed it to Lin Ziming.

After Lin Ziming took the pen, he asked, "Where to sign?"

Chen Xuejuan looked around, then bit her lip, and said with courage, "Just sign on my chest!"
