

Chapter: 2336

puff!

Lin Ziming almost spit out blood.

This Chen Xuejuan is too ostentatious, so he actually asked him to sign his name on his chest?

At this moment, Lin Ziming seriously suspected that Chen Xuejuan was avenging his revenge, deliberately causing him to be angered by Situ Jing.

Sure enough, after Situ Jing on the side saw this scene, there was already intense anger in his eyes!

The fist is also tightly clenched.

Chen Xuejuan's behavior is the most direct challenge to him!

No, it should be said to be an insult.

After all, Chen Xuejuan, in name, is already his future fiancée, and Chen Xuejuan now, in front of him, did such a thing to another man, not to insult him what it was!

At this moment, he was no longer as simple as angry with Lin Ziming, but directly murdered.

In his opinion, Lin Ziming was stealing women from him.

Lin Ziming still didn't feel that something was wrong, he shook his head and said, "I think it's better to sign other places."

Chen Xuejuan glanced at Situ Jing on the side, her eyes rolled, and then said: "No, just sign it on my chest. Anyway, Senior Lin and I have a secret that no one else knows."

When Lin Ziming heard these words, a black line appeared on his face. What he said was too ambiguous.

After Situ Jing listened, he finally couldn't help it, and shouted loudly, "Enough!!!"

His eyes were spitting fire, staring at Lin Ziming and Chen Xuejuan, almost gritted his teeth and said: "You couple of dogs and men have an adultery in front of me!?"

Then, he looked at Lin Ziming with a colder and more hateful eyes, and said, "You dare to touch my woman, you are dead!"

Lin Ziming was offended by a junior over and over again. He already had some patience, and his face became cold. He said, "You better keep your mouth clean! Otherwise, I will educate you for your parents!"

After hearing these words, Situ Jing became even more angry. He took a step forward and wanted to attack Lin Ziming.

Fortunately, at this moment, Chen Xuejuan stood up and scolded Situ Jing dissatisfiedly: "I said Situ Jing, you are ill! Just open your mouth and fight and kill. Do you think you are very powerful!"

Situ Jing said coldly: "I am thirty-three years old this year, and I am already a half-step master of the divine realm. I don't need to comment on it! Also,

Chen Xuejuan, as my future fiancée, you dare to be in front of you. My face, and the other men are eyeing, you are provoking me! I will tell your parents about this, I want to see how your parents will punish you then!”

Chen Xuejuan’s face became colder, and her impression of Situ Jing was even worse. “Situ Jing, you are such an annoying person! I have said it countless times. I am not interested in you, like you are arrogant. An arrogant person, I, Chen Xuejuan, will not marry you even if I can’t marry for the rest of my life! Also, do you think that you are very strong at half a step in the Divine Realm? But you are in front of Senior Lin. Only, as long as Senior Lin moved his fingers, he could abuse you severely! What qualifications do you have to be mad in front of Senior Lin?”

It can be said that what Chen Xuejuan said was not at all polite. After Situ Jing listened, it was no longer pure anger, anger was as simple as that, but the whole face was green.

This Situ Jing didn’t give him any face!
