

## Chapter: 2339

Lin Ziming didn't bother to respond to such a request, turned around and left, disappearing into the crowd in twos or twos.

Chen Xuejuan originally wanted to catch up, but the speed at which Lin Ziming disappeared was so fast, it was just a blink of an eye that Lin Ziming was gone. This made her feel very disappointed in her heart, and she complained in dissatisfaction, "Senior Lin, also ran too fast! She didn't even have an autograph for me!"

She felt very dissatisfied.

Situ Jing finally got up from the ground. He looked at the direction of Lin Ziming's disappearance, and his face suddenly became gloomy. Although Lin Ziming's strength was far above him, Lin Ziming just let him kneel down. , Humiliating him in front of so many people is an unacceptable thing for him.

Especially, now that he sees Chen Xuejuan, who obviously has an ulterior secret with this man, he feels even more upset in his heart.

However, he didn't show it anymore. Instead, he smiled and said to Chen Xuejuan: "Xuejuan, it seems that you know that senior, don't you know his name?"

After Chen Xuejuan heard this, she glanced at Situ Jing and said angrily: "Why, do you still want to find him for revenge? Situ Jing, let me tell you that if you add up to a hundred, you are not an opponent of others. Don't waste your thoughts, you're going to die."

After hearing these words, Situ Jing's face became even more ugly.

Chen Xuejuan is slapping his face!

However, he was also a deep man in the city. He returned to normal in an instant, and immediately said to Chen Xuejuan with a smile: "Hey, look at what you said, after I have seen the shocking methods of senior, where can I be an enemy? I just admire him and want to know his name. Why, Xuejuan, would you not even tell me this?"

Chen Xuejuan saw that Situ Jing's attitude had become so sincere, and for a while, she began to believe what he said. After thinking about it for a while, she started to say with a proud and admiring expression: "His name is taboo, think about it, who is the most popular recently. ? That's him."

"Whose is the most popular? That's not..."

Having said this, Situ Jing suddenly opened his eyes, and he immediately realized that the one who has been the most in the limelight recently is not Lin Ziming who has entered the secret realm!

Although he doesn't pay much attention to the information outside, he is also very familiar with Lin Ziming.

After all, this is really the most famous person recently, and he claims to be the savior of China.

When he heard this comment before, to be honest, he had always been very unconvinced, thinking that he was the most powerful genius in this world, and people like Lin Ziming shouldn't appear in this world. In terms of his personality, he was born hostile and repellent towards an existence like Lin Ziming.

He kept thinking about what kind of attitude he would meet with Lin Ziming. But he never imagined that he would meet Lin Ziming in such a posture, which is a huge insult at all!

Moreover, this guy Lin Ziming obviously has an ulterior secret with his woman, sure, Chen Xuejuan, this stinky lady, has been tasted by that guy Lin Ziming!

by!

When he thought of this, he felt a little twisted in his heart, and his hatred for Lin Ziming grew even greater.

No, he has to find a chance to find the place back.
