

Chapter: 2341

In fact, he also wanted to try the Kung Fu of Whampoa Road.

On the contrary, the other people on the court were a little baffling. How well did Huangpu Dao and Tuoba Liang attack Lin Ziming?

I have never heard of any enmity between them.

It was too late to say that it was fast, and when they just felt a flower in front of their eyes and still hadn't reacted, Huangpu Dao and Tuoba Liang had already attacked Lin Ziming and fought.

Facing their siege, Lin Ziming just smiled faintly, and without any hesitation, directly started to fight back.

This time, he didn't have any reservations, and he used his true strength from the beginning.

Because for seniors like Whampoa Road, using their true strength is to respect their seniors.

And the result of this is a spike.

Yes, Lin Ziming's current strength is too strong, even facing Huangpu Road and Tuoba Liang, the two great masters of the gods who are besieged, it is a spike.

In the eyes of others, they were just a face-to-face, and within three seconds of the fight, they had separated.

Then, they heard a long sigh, "Oh, the waves behind the Yangtze River are really pushing the waves forward, Ziming, you have reached the point where you are unpredictable! I am in your hands, and I am in a row. You can't do any tricks."

These are the words of Whampoa Road.

Tuoba Liang on the side, his face is a little pale now, because he took a palm of Lin Ziming just now, and his body has taken a lot of steps backwards.

He also sighed heavily, with an extremely bleak expression on his face, and said, "Brother Lin, you don't think I'm in your hands, and you can't even pick up a trick. I'm also a master of the God-Communication Realm. The gap between us is really too great. It's big!"

what? !

After hearing these words, the people next to them all showed extremely shocked expressions, and they couldn't react a little at a time.

You know, this is Huangpu Road and Tuoba Liang, two powerhouses in the realm of God.

Even if you look at the world, how many people can carry them together with their brothers and sisters, right?

However, now they were defeated in front of Lin Ziming in one face?

The key is that they don't even feel how fierce the battle is. Logically speaking, the battles of the powerhouses at the level of the God-Through the Gods are all earth-shattering.

There is only one explanation for this happening, and that is that Lin Ziming's strength is far above Huangpu Road and Tuoba Liang.

Lin Ziming also sighed slightly, with some emotion on his face, and said, "Yeah, I didn't even think that I could get this far. Speaking of which, I still have more cultivation from the senior Huangpu!"

After saying this, Lin Ziming respectfully bowed his hand to Huangpu Road and bowed a salute.

His actions were not acting, nor hypocritical, but from the heart. Indeed, he is able to go to the present, and Whampoa Road has helped him a lot!

Huangpudao saw him like this, his face was a little moved, and he hurried up to support Lin Ziming: "If you can't do it, you can go to this day. It depends on your efforts."
