

Chapter: 2342

Huangpudao looked at Lin Ziming's eyes full of appreciation and relief, and he was very satisfied with Lin Ziming.

In fact, he didn't help Lin Ziming at all. He just answered some martial arts doubts to Lin Ziming, but Lin Ziming really admires him for his personality. He has not seen such excellent qualities for a long time. Young man now.

How many geniuses are arrogant, arrogant, self-centered, and don't put the people around them in the eye. Often the stronger, the more selfish and the more annoying. Lin Ziming doesn't have this at all. On the contrary, The most important thing for Lin Ziming is to stick to his heart from the beginning.

Others looked at Lin Ziming, also full of respect and admiration.

Huangpu Road patted Lin Ziming on the shoulder and said happily, "With you here, I can retire in the future, haha!"

Yes, now that the State of China has Lin Ziming, he can retreat to the second line as a military god.

Because whether it is strength or moral character, Lin Ziming is the best candidate to become a new generation of military god.

Lin Ziming didn't refuse this either. He knew that the greater his ability, the greater the responsibility. He had made such a plan before he went to the secret realm, and when he broke through to the spirit-passing realm, he would replace him. The position of Huangpu Road became a new generation of military gods.

And now, this time has come.

"Ziming, I'm sure to live up to expectations." Lin Ziming directly answered very seriously, not having any pretentiousness.

After hearing this sentence, the expressions of the people around them all changed slightly. They knew that Lin Ziming had truly begun to step onto the stage of Chinese power.

This can be said to be a step up to the sky, but for Lin Ziming, it is so natural. In fact, for China, it is an honor for China to have people like Lin Ziming.

Then Huangpu Road pulled Lin Ziming and asked about what happened in the secret realm. And Lin Ziming also asked him about the information about the mysterious live broadcast website, and the answers he got were the same as those he got from Xuanyuan Three.

This made Lin Ziming frown even more. He felt a kind of intense anxiety. He always felt that there was an invisible and intangible force that surpassed the world. He hibernated in the dark. It is very likely that he will become the earth at some point. Disaster.

The more he reached his realm, the more he fumbled for things that ordinary people couldn't feel.

However, no matter what, at this juncture, Lin Ziming could not express the anxiety in his heart. What he has to do now is to know who the so-called biological father who robbed Chu Fei is really!

In addition, he has to start coordinating forces to deal with the next world war!

After everyone else had left, Lin Ziming walked alone with Huangpu Road in the backyard. Huangpu Road said, "Ziming, I just saw something on your mind. Did something happen?"

I have to say that Huangpu Dao's ability to observe words and expressions is still very strong, and I can tell Lin Ziming's thoughts at a glance. Lin Ziming also has no inflections, and directly said: "There is indeed such a thing."

"Oh, I don't know what's the matter?"

Lin Ziming stopped, looked at Huangpu Road and said, "Senior Huangpu, do you know, among all the strongest in this world, who are the top five most powerful?"

When Huangpudao heard this, he was surprised, but said: "Are you trying to challenge them?"
