

## Chapter: 2346

On the next night, Chen Xuejuan came to pick up Lin Ziming.

After getting in the car, Lin Ziming immediately smelled a tempting perfume, which came from Chen Xuejuan, and Chen Xuejuan was obviously dressed up tonight, wearing a nice evening gown, which outlined her perfect figure.

I have to say that Chen Xuejuan's appearance is still very high. At first glance, she is a big beauty, her figure is also hot, she is in her early twenties, and she is full of youth and intellectual temperament.

Lin Ziming also found that in the car, besides Chen Xuejuan, there were two other women, both of the same age as Chen Xuejuan. They were also beautiful and youthful, and they knew they were white and rich.

After they saw Lin Ziming, they kept staring at Lin Ziming boldly, without blinking, as if Lin Ziming was some precious panda.

"Hi, Senior Lin, good evening!"

Chen Xuejuan smiled and greeted Lin Ziming. She revealed a very happy aura. When she came, she was still a little nervous, for fear that Lin Ziming would release her pigeons. Fortunately, Senior Lin was still very decent. , And did not release her pigeons.

Because after she went home, she asked about Lin Ziming's deeds and knew that Lin Ziming was really the most powerful person in China. Now even the military god Huangpudao gave him the position, which shows Lin Ziming. How heavy is the weight!

For such a predecessor, she only has admiration and admiration in her heart, as well as some admiration that dare not express.

Because Lin Ziming is still very young, not much older than her!

As for the two girls, after seeing Lin Ziming so young, they were obviously surprised, and asked Chen Xuejuan softly, "Juanjuan, this is what you call a super expert? Why doesn't it look like it?"

Another girl also whispered: "Yeah, this looks too young, right? Juanjuan, could it be that you made a mistake?"

Indeed, for the two of them, they didn't know Lin Ziming. They just heard from Chen Xuejuan that there is such a person who has already been boasted by Chen Xuejuan as the number one master in China.

Originally in their fantasy, this must be a burly, particularly fierce middle-aged talent.

But the man in front of him looks too ordinary, just like an ordinary worker. There is no such thing as a masterful breath. The muscles on his body do not look strong. Their first reaction is that Chen Xuejuan made a mistake. Up.

Lin Ziming naturally heard their whispers, but he was too lazy to be familiar with the two little girls, nodded to Chen Xuejuan, got in the car, and said, "Miss Chen, please."

Chen Xuejuan glared at the two girls, and quickly said to Lin Ziming: "There is nothing wrong with you, Senior Lin, I am already very happy to be able to attend the appointment."

"Yeah." Lin Ziming nodded, and began to close his eyes to calm his mind.

When the two girls saw Lin Ziming, they didn't even glance at themselves. They felt particularly uncomfortable, thinking that Lin Ziming was just pretending.

Obviously they are so ordinary, they are still posing, they are white and rich, and all men will please them when they see them.

"Juanjuan, are you deceived by this guy? There are many scammers in the society. Some time ago, a so-called martial arts master was cracked down on the Internet."

"Yeah, Juanjuan, your identity is not ordinary, and you must have been deceived. I think this guy is not like a super master, but more like a takeaway."

Chen Xuejuan immediately became angry when she heard the words of these two girls. She kindly brought them over. She wanted to introduce them to Lin Ziming, but in the end they even talked about Lin Ziming. It was really disgusting!
