

## Chapter: 2347

She had no doubts about Lin Ziming at all. She was in the Jingwu Group and had long heard of Lin Ziming's name, especially since she herself had seen Lin Ziming take action with her own eyes, and she admired Lin Ziming to the extreme.

She knew that with Lin Ziming's ear power, even if the two girls were talking in a low voice, they must have been heard by Lin Ziming. This made her feel embarrassed and angry, so she stared twice. A girl glanced at him and said, "Senior Lin is my idol. If you say bad things about him, don't blame me for being angry!"

"Juanjuan, you..."

"Why do you want to be angry, we are just for your good..."

They wanted to say a few words, but they soon saw the seriousness in Chen Xuejuan's eyes. They knew that Chen Xuejuan was really angry, and they didn't dare to say anything anymore.

It's just that their expressions are still very disapproving, and they don't believe that Lin Ziming is a super expert, and more believe that Lin Ziming is just a liar.

Lin Ziming didn't have the slightest disturbance in his heart. It was not his thick skin, but similar things. He had encountered too many and too many, and he was already numb.

Besides, this can't be completely blamed on the two girls, but his current appearance, it really looks too ordinary, let alone two ordinary people, even if he is a half-step master of the gods, he can't see it. His true strength comes.

There are also high-level masters of the God-passing Realm who can feel his power through his spirit and spirit.

Otherwise, even an ordinary God-passing realm master would not be able to detect his true strength.

Lin Ziming now has completely returned to the original state. He stood there, and there was no difference between him and ordinary people.

The car drove up and drove very steadily. After a while, it reached the destination, which was a suburban villa area and stopped in front of a luxurious manor.

At this time, all kinds of luxury cars were already parked in the manor.

Lin Ziming probably sensed that most of them were young men and women, mostly ordinary people. Apart from that, there were only a few masters of the innate realm. As for the masters of the gods, there were none of them.

For such a banquet, to be honest, Lin Ziming really has no interest in it.

Moreover, he did not feel the breath of Chen Wu, could it be said that Chen Wuzhen has come?

So he asked Chen Xuejuan directly, "Miss Chen, is your father coming?"

Chen Xuejuan said: "Father said he will come later."

Lin Ziming nodded, got out of the car and walked in.

Those two girls felt very uncomfortable when they saw Lin Ziming's appearance so ordinary and so arrogant.

After looking at each other, he discussed in a low voice, "This guy must be a liar, who has deceived Juanjuan into it. As Juanjuan's good sisters, we can't let him do this. We wait for a chance and send a bodyguard. This liar has been dismantled."

"Well, I think that way too!"
