

## Chapter: 2348

After the two girls were finalized, they began to plan.

On Lin Ziming's side, he followed Chen Xuejuan in.

I have to say that Chen Xuejuan still has a lot of face here. After she appeared, she immediately attracted the attention of many people inside.

"Look, Juanjuan is here..."

"Wow, Juanjuan is really beautiful tonight."

"Of course, Juanjuan's appearance has always been top in our circle."

"Hey, who is the guy next to Juanjuan? He looks very face-to-face. I haven't seen it before. Does anyone know him?"

"I haven't seen it before, and this guy doesn't look like someone in the circle. He looks so ordinary and wears such cheap clothes. What is it?"

"Damn, you see Juanjuan still looks respectful to him, what's the situation?"

Lin Ziming walked in all the way, and immediately heard a lot of defamation about him.

He asked Chen Xuejuan, "It seems that your friends are not very welcome to me."

Chen Xuejuan immediately said, "Senior Lin, it's not like this. Actually, they all admire you very much. It's just that I'm here in a hurry and I didn't tell them your identity in advance. I'll introduce your identity to them.!"

Lin Ziming waved his hand and said, "No, go and play with your friends. I will wait for your father here."

He doesn't care what these young people think at all. He is here tonight with only one purpose, which is Chen Wu.

However, Chen Xuejuan showed some embarrassment and said: "Well, my father may not be so soon, or else, let me introduce you to them first? They are all your fans!"

Seeing the begging and expectation in Chen Xuejuan's eyes, Lin Ziming hesitated, nodded, and said, "Okay."

When Chen Xuejuan heard Lin Ziming's promise, she immediately became happy, and quickly took Lin Ziming's arm and walked briskly.

Lin Ziming was grabbed by her arm, and she immediately sensed it. Many men present looked at him with hostility in their eyes.

This scene is really familiar.

Lin Ziming shook his head helplessly, thinking that he had already reached the God-Throughout Realm, and such a thing was unavoidable.

Chen Xuejuan led Lin Ziming to the crowd and said, "I will introduce you to everyone. This is what I told you, Senior Lin Ziming!"

However, after Chen Xuejuan finished saying this sentence, everyone didn't have any reaction. He looked indifferent, obviously he hadn't heard of Lin Ziming.

Some people even whispered: "Lin Ziming? Who, I haven't heard of it..."

“Yes, is this a new star? But he doesn’t look handsome.”

“Is it Juanjuan’s boyfriend?”

“That’s impossible, isn’t Juanjuan’s fiance Situ Jing?”

“do not know……”

When Chen Xuejuan saw that they were not responding, she frowned and said displeasely, “Why are you not excited? This is Lin Ziming, Senior Lin! Our legend in China!”
