Only then did they applaud sparsely, and they said a perfunctory welcome, and looked up for a long time.

Lin Ziming understood that these guys weren't in the martial arts circle, so naturally they didn't know him.

At this moment, most of his interest was lost.

He saw that Chen Xuejuan had to introduce him. He waved his hand to prevent Chen Xuejuan from speaking and said, "Forget it, they are not members of the martial arts circle, so there is no need to introduce them."

Chen Xuejuan immediately said embarrassedly: "Senior Lin, I'm sorry, I didn't expect this to happen."

Lin Ziming said with a smile, he naturally wouldn't know the same as a little girl, shook his head and said, "Nothing, I'm here tonight to see your father."

When Chen Xuejuan heard these words, some sadness flashed in her eyes, and she whispered softly, "Is it just to see my father?"

"Huh? What did you just say?"

Chen Xuejuan shook her hand quickly and said, "Nothing to say, nothing to say..."

Lin Ziming was a little strange to see Chen Xuejuan, but he didn't continue to ask, a girl of this age has a relatively changeable mood.

At this moment, Lin Ziming felt a powerful breath, passed from the doorway, he immediately raised his head and looked over, immediately saw the suit and leather shoes, the unusually handsome Situ Jing, surrounded by a group of people, strode Walked over.

In addition to Situ Jing, there are two middle-aged people who look very energetic on both sides. The aura of these two middle-aged people is stronger than that of Situ Jing, and they are the two who have reached the edge of the realm of communication. A super master!

It was quite unexpected for Lin Ziming to see three masters of this level here.

As soon as Situ Jing appeared, the atmosphere of the whole scene became different. Many young girls, with bright light in their eyes, followed Situ Jing closely, including some boys, who also showed admiration and admiration for Situ Jing. In awe.

For Situ Jing, who is a proud man of heaven, they don't have the slightest hostility and competition.

Because Situ Jing is so much better than them.

After Situ Jing came in, he walked directly in Lin Ziming's direction, with a smile on his face, and when he walked in front of Lin Ziming, he smiled and said, "Senior Lin, you really came, I see you again, I It's a great honor! I have offended a lot in the past two days, and I also ask Senior Lin to have a

lot of them, don't be like me!"

After finishing talking, he even bowed his head to Lin Ziming to show his posture.

When everyone saw this scene, they were immediately stunned. Obviously, they had no idea that Situ Jing would do this, because in their opinion, Situ Jing was not an ordinary rich kid, but a super genius!

Not only is he born very tall, but I am also very good. Whether it is business, academics, or skills, I have reached an unstoppable level.

And such a great person, in front of a shameless man, so respectful?

They all wondered for a while whether they had made a mistake.

What everyone didn't notice was that when Situ Jing lowered his head, the corners of his mouth rose slightly, and his eyes flashed cold.

He hadn't forgotten the insult Lin Ziming gave him!

Today, he came here for revenge!

Lin Ziming seemed to not feel his coldness and looked very happy. He smiled and said, "You're polite. I've forgotten what happened last time."

"Haha, Senior Lin is really generous!" Situ Jing also laughed, then snapped his fingers, and the hand next to him brought a glass of wine to him, and then brought it to Lin Ziming personally, and said: "Senior Lin, you are the legend of martial arts, please accept my respect!"
