

Chapter: 2352

After seeing him drinking the poisoned wine with his own eyes, Situ Jing finally breathed a sigh of relief!

A big rock in my heart fell!

Immediately he couldn't help showing a triumphant smile, Lin Ziming drank this glass of poisoned wine, so the situation is complete, Lin Ziming is dead!

Humph, even if you are a master of the god-passing realm, even if you are the chosen son of this era, what if you are so powerful? Isn't it the same to die in the hands of my Situ Jing? After you die, your luck will naturally condense on me!

At that time, Situ Jing will be able to replace you and become the chosen son of this era, hahahaha...

Situ Jing was very happy now, and the whole person showed a sickly red tide.

Chen Xuejuan on the side clapped her hands and said: "Since the misunderstanding has been resolved, that's great, Senior Lin, the dance will begin soon, can I invite you to dance with one?"

She looked at Lin Ziming with an expression of expectation.

Lin Ziming put down the wine glass, shook his head and said, "Forget it, I can't dance."

Chen Xuejuan said: "I can teach you, with your physical coordination, you will definitely be able to learn it soon!"

With that, she stretched out her hand to Lin Ziming and wanted to invite Lin Ziming to dance.

After watching this scene, everyone present was very envious and enthusiastic, especially those men, who had more or less affection for Chen Xuejuan. Now they could see that Chen Xuejuan was obviously towards Lin Zi. Ming is interesting, and I will naturally feel unhappy and sour.

Especially for Situ Jing, it was even more angry!

He has known Chen Xuejuan for so long, and he couldn't even invite Chen Xuejuan to dance, but now Chen Xuejuan still actively invites Lin Ziming in front of so many people. Isn't this slapped him in the face!

However, he calmed down quickly and calmed down his anger. Anyway, Lin Ziming was already a dead person. Why should he care about a dead person?

Lin Ziming saw that Chen Xuejuan was very enthusiastic and couldn't refuse, so he had no choice but to accept the invitation.

In fact, he can dance because he skips with Chu Fei and several women...

Speaking of it, he has really had a lot of luck in the past few years, but there are very few people who can accompany him to the end.

Chen Xuejuan saw that Lin Ziming had agreed, her face showed a smile,

and some shyness appeared. It is really an honor for her to be able to dance with an indomitable hero like Lin Ziming!

Especially when her waist was hugged by Lin Ziming, that kind of skin-to-skin sensation. When the two of them are so close, they can feel each other's body temperature. That feeling makes it even more so. She blushed and her heart beat faster!

It is strange to say that it is not the first time that she has danced with a man. She has never been gaffes like this before. Why is it that she dances with Lin Ziming now? She even felt that her legs were a little numb, as if there was an electric current.

Lin Ziming looked ugly on the surface, but when he got closer, he realized that the smell on Lin Ziming's body was very good, especially fresh, and full of vitality, especially the smell of male hormones on Lin Ziming's body, which was very strong. After Chen Xuejuan smelled it, she would feel her heartbeat speed up, and her body had some shy reactions, as if she was drunk!

Lin Ziming sensed her strangeness, and asked, "Miss Chen, is your body uncomfortable?"
