However, he has many influences in China, and he looks like a Chinese, and speaks fluent Mandarin.

He has lived in China since he was a child and has a unique sentiment towards China, so he married a Chinese woman and gave birth to Situ Jing.

In fact, there are more than 20 children under his knees, but his favorite is Situ Jing. There is no other reason, because Situ Jing has enough genius and is the existence that he has high hopes for.

He has been in Situ Jing since he was a child, and he has poured a lot of resources into him, hoping that he will become a dragon.

In fact, Situ Jing really did not disappoint him. Very early on, he showed his incomparable talent, and his cultivation base was advancing by leaps and bounds.

But now, he saw that his precious son was lying on the ground dying, looking at him with absolute pain, helplessness, despair, and even a little bit of resentment.

At this moment, his body trembled fiercely!

He saw in his son's eyes, why didn't you show up earlier? If you show up earlier, I wouldn't be beaten like this!

Suddenly, an unprecedented anger, like a tornado, suddenly rushed into his mind!

He shouted out hysterically, "Lin Ziming!!! Do you dare to hurt my son, I want you to die!!"

He shouted this sentence, it can be said that the ground is shaking. At this moment, all his aura as a master of the gods, he released all the aura, and instantly swept the audience, making countless people's legs limp and fall. After coming down, some people with a bad heart even died suddenly on the spot.

This shows how terrifying Situ's solitary aura is.

After all, Situ Solan is also a master of the God Realm!

Moreover, he is still a military god in his country. In China, no one dares to disrespect him!

Even in front of the military god Huangpu Road, he still exists at the same level.

And now, his son was beaten like this by the junior in front of him!

Anger, hatred, and irrationality swept through his body in an instant.

In his opinion, no matter how great Lin Ziming is, he is only a junior. In front of him, a veteran master of the realm, what right does he have to be arrogant!

Therefore, in the first place, he had already had an unparalleled murderous intent on Lin Ziming.

And once his murderous intent came out, he could no longer hold it back.

He shot directly towards Lin Ziming, with lightning speed, as if a scorching sun appeared in his skill, he wanted to burn Lin Ziming directly. .
Looking across the territory of China, no one dared to look down upon him.
His move was a big killer move, he wanted to kill Lin Ziming with all his heart.

When Lin Ziming saw this scene, he just squinted his eyes slightly, and faintly uttered four words: "I don't know how to live or die."

After Situ Suran heard these words, he became even more angry. When he had a thought, people had already arrived in front of Lin Ziming and punched them. It was a hundred times heavier than the shells fired by tanks, and hit hard. Lin Ziming's chest.

Boom!

Hit it!

He was suddenly overjoyed.

But the next moment, he felt something was wrong, because he didn't hear the screams from Lin Ziming.
