

Chapter: 2361

However, he and Situ Jing still had the same result, it was absolutely impossible to escape in front of Lin Ziming.

In the blink of an eye of almost everyone, Lin Ziming had already caught up with Situ Solan, and, like a chicken, held Situ Solan's neck behind his back, and then lifted him up.

“you you you.....”

Situ Suan felt that he was being lifted up, and Lin Ziming's terrifying strength was felt. He was already speechless.

At the same time, he felt that Lin Ziming's murderous intent was almost killing him!

“Brother Lin, spare your life!!”

At this time, even his identity, his status, and his dignity had to beg for mercy.

Because he really doesn't want to die.

But, might Lin Ziming give him this opportunity?

Just when he was about to do it, he felt a familiar breath again, and immediately followed by a familiar voice, “Ziming, no!”

Hearing this voice, Lin Ziming sighed inwardly, and let Situ solitary.

Soon, two more people appeared on the scene, not Huangpu Road and Tuoba Liang, who else?

It was Huangpu Road who called him just now.

That is, Huangpu Road, Lin Ziming will give this face, and no one can stop him after changing other people. .

Tuoba Liang saw the scene in front of him, and Situ was so embarrassed, his brows jumped fiercely twice, even if it was him, he couldn't help but be shocked!

The veteran powerhouse Situ is solitary, but Lin Ziming can't handle a single move. How terrifying is Lin Ziming's strength?

But soon he was relieved, after all, Lin Ziming was the enchanting evildoer who had swallowed a hundred fruits.

In the secret realm, he only swallowed two fruits, and he had the strength of today's proud world, not to mention the existence of Lin Ziming.

At this time, he was still quite lost in his heart. Originally, he was also one of the infinite geniuses, with a fearless heart, thinking that there are no people he can surpass in the world today.

However, since Lin Ziming appeared, he has no such thoughts, because Lin Ziming is so strong and progresses so fast that he can't even see Lin Ziming's tail.

Originally thought that entering the secret realm was an opportunity for him to surpass Lin Ziming. But the result was that the gap between him and Lin Ziming was even greater, to a level that could not be surpassed in a lifetime!

However, he quickly accepted this fact and was relieved.

Huangpu Dao was also a little surprised, but he calmed down quickly and said to Lin Ziming: “Zi Ming, now the enemy is now, our secular world has very few powers of the gods, so please ask Ziming to be magnanimous, and Rao Situ will have a life!”

When Lin Ziming heard these words, he sighed slightly in his heart, and said, “Senior Huangpu, we know that the enemy is now and we know that the overall situation is the main thing. But you just didn’t see it, whether it’s Situ Jing or Situ Solan. , They all want to kill me, there is no room for maneuver.”

After Situ Jing and Situ Solan on the ground heard these words, they couldn’t help but bow their heads.

Huangpudao also sighed and said: “Ziming, I know the grievance you have suffered. It’s just... alas, it’s up to you, indeed Situ and his son are looking for death.

After saying this, he stepped aside.

Seeing his behavior, Situ frowned, and quickly said: “Brother Huangpu, you can’t die without saving, I...”

He wasn’t even finished speaking, he was interrupted mercilessly by Whampo Road, pointing at him and cursing: “Situ is solitary, you old thing! You still have a face to intercede! Don’t you know what your son is like? He knows that Lin Ziming is the pillar of my Chinese nation, but he indulges your son to poison! His heart is shameful. If you don’t stop your son, forget it, but also help him to abuse him. You shouldn’t die who should die!!”
