

## Chapter: 2365

Finally her mentality collapsed and she could no longer remain calm, and shouted loudly: “Get out of my way! I can’t stay in this ghost place anymore!!!”

However, even if she shouted so hysterically, the maid was still indifferent, and even her eyelids hadn’t twitched, and she still said without any emotional fluctuations, “Miss, please go back.”

Deep in her eyes, she showed contempt and disdain for Chu Fei.

She knew who Chu Fei was, she was the daughter of the lord Tian Jue, the illegitimate daughter who was taken away many years ago and lived in the secular world.

The strength is too weak.

However, immediately after that, the eldest lady made a movement that made her unable to keep calm anymore, and her pupils contracted.

I saw Chu Fei picked up a pair of scissors from the next table, put it on her neck, and said coldly: “If you don’t let go, I will cut my neck!”

The maid was indeed shocked by her action.

She was ordered by Tian Jue to come and take care of Chu Fei. If Chu Fei really committed suicide in front of her, then she would definitely bear the full responsibility, and the end of this responsibility was death.

“Miss, the lord has confessed that you can’t leave here for the time being. So, please put down the scissors in your hand.” The maid’s poker face finally changed, and it was no longer as cold as before, with a pleading tone. Said.

Chu Fei snorted and said, “I said, I want to go out!”

The maid explained: “Miss, I have said many times just now, you can’t go out yet...Miss, please stop!”

When the maid saw Chu Fei actually started to wipe her neck, she also scratched her neck with a blood mark, and she was shocked immediately!

“I’ll say it one last time, get out of the way, otherwise, I’ll be here!” Chu Fei said very firmly.

The maid was really embarrassed now. Tian Jue gave her the order to let her guard Chu Fei here. If Chu Fei really died here, then her life would come to an end.

When she was in a dilemma, suddenly, there was a sound of footsteps from outside, and then, she heard a joking voice, “Oh, sister, you just went home for a few days, and you want to commit suicide. Up?”

When the maid heard this voice, there was some looseness on her nervous face, and she quickly turned her head and saluted a woman who came in outside, “Anu, see Miss San!”

Miss Three?

Chu Fei was a little surprised. Then, when she looked over, she saw a

woman walking in from the door. She looked a bit similar to her, dressed in similar costumes, and had a feminine aura on her body, which gave her a very different kind. Comfortable feeling.

“Are you my sister?”

Chu Fei asked.

She was a little surprised, not thinking that she was not alone here, and that she had a younger sister.

“Sister, you came just right, let your sister go quickly!” Chu Fei said eagerly. But the other party didn’t take care of her. Instead, he walked up to her in a hurry, and began to look at her with joking, disdain, jealousy, hatred, and disgust. “Father has been thinking about her all these years. Eldest daughter, is this trash like you?”

Upon hearing these words, the smile on Chu Fei’s face immediately disappeared.

She is not stupid, and she still can’t understand at this moment. Although the other party is her sister, she is not here to save her at all. On the contrary, she is here to humiliate her!

The word waste, she grew up so old, and it was the first time she was called this way.

Before again, she heard most people call Lin Ziming like this.
