Only she knows how humiliated and resentful she is now!

But she has no way at all. She is here, like being separated from a world, really like Miss San said, she has become a rubbish here, waiting for her is getting old.

She suddenly remembered the years when Lin Ziming joined her family. At that time, Lin Ziming must have experienced this kind of pain, right?

Fortunately, she is not a person with very poor psychological quality. After experiencing so many things over the years, her mentality has been tempered before she knows it.

Now she took a deep breath, quickly calmed herself down, and began to analyze the situation in front of her.

First of all, she can confirm that since her father has spent so much thought to bring her back from the world, it is definitely not just to throw her here.

She still has a role in her body, and she can be sure of this. This is also the reason why Tian Jue has been looking for her.

In fact, since breaking through the congenital realm, she felt more and more that there was something hidden in her body. It was a kind of treasure. Several times before, she actually wanted to talk to Lin Ziming, but she was still affected by her. To hold back.

Because she knows that this treasure must bring some danger!

In other words, this is a huge danger!

She didn't want to harm Lin Ziming.

But now, her biological father, Tian Jue, brought her back, certainly not for the reunion of father and daughter, but for the treasure of her body.

This is what is called "aura".

However, as for how to use it, she is not clear.

However, no matter what, she must not give up easily and commit suicide easily.

During this month of loneliness, she thought about a lot of things, but what she thought most was Lin Ziming!

Before coming, she did not dare to tell Lin Ziming for fear of harming Lin Ziming.

But now, she missed Lin Ziming very much, it can be said that she missed Lin Ziming very much.

Now she has changed her mind and no longer obeys the destiny of heaven and man. She has to do everything she can to live, break free from the prisoner dragon, return to the world, return to China, and reunite with Lin Ziming!

Originally, with Lin Ziming's protection, she had always been indifferent to her practice. Firstly, she was not interested. Secondly, Lin Ziming was protecting her, which made her have no worries. Therefore, she has always

been concerned about her practice. Slack.

But now, the situation is different. She wants to break free from this cage by improving her practice!

But she actually has a secret that no one knows, including Lin Ziming. In fact, her martial arts talent is no worse than Lin Ziming, and she doesn't have to be worse than those geniuses in the world!

After understanding this, she closed her eyes and began to practice.

Anu, who was standing at the door, looked at Chu Fei with contempt. After she heard the order from the third lady, if Chu Fei still dared to die, then she would definitely not throw the mouse again, and directly shot and beat.

Break Chu Fei's legs!

But now, don't know why, she looked at Chu Fei who closed her eyes and meditated, suddenly feeling a kind of jealousy in her heart...
