

Chapter: 2378

Suddenly, everyone present was angry, and everyone was angry!

Although Lin Ziming had a great reputation, he was able to kill King Xiaoyao in the secret realm, and he deserved to be the chosen son of this era.

In this contemporary era, no one would be his opponent.

However, this does not mean that Lin Ziming is number one in the world, or that Lin Ziming can trample on their dignity wantonly!

But now, Lin Ziming's behavior is violently trampling on their dignity and hitting them in the face.

Isn't it? Lin Ziming has only one person, and they have more than a hundred masters here, among them there are three masters in the realm of God. What kind of lineup is this, even if it is a medium-sized country, they can sweep the past.

But when Lin Ziming came alone, he actually said he came to kill them?

How arrogant and arrogant is this?

Even if the King of Xiaoyao was reborn, he had never done so arrogant...

No, it should be said that he did such a dead thing!

Therefore, at this moment, Lin Ziming can be said to have greatly angered everyone present.

Including Bu Jingyun and the other two powers of the God-Throughout Realm, now they can't help their eyes widening, and they are furious!

It is not humiliating to pass the spirit realm, even if it is a master of the same realm!

One of the masters of the Divine Realm Realm smiled with anger, "Hahaha..."

His expression was wonderful, as if he had heard the funniest joke in the world, but there was a slight smile in his eyes, staring at Lin Ziming, his eyes were extremely cold and filled with ice. Murderous.

"Lin Ziming, I have only heard of your reputation before, and I have never seen you before. Originally, I still have some respect for you, but Wan Wanwan thought that you are actually a lunatic."

This god-passing realm master said like this, pointing at him to walk out in stride, and said jokingly: "I want to see, what is your ability to kill more than a hundred of us?"

Bu Jingyun also had deep eyes now, staring at Lin Ziming firmly. This was not the first time he had dealt with Lin Ziming. It was the first time he saw Lin Ziming before he reached the secret realm. It was in the beautiful country. At that time, he and Lin Ziming were still in the middle of nowhere. At that time, he did not have a choice to fight with Lin Ziming.

As a result, after a trip to the secret realm, the strength of him and Lin Ziming were pulled apart.

From then on, Lin Ziming can be said to be famous under the heads of all of

them!

For Lin Ziming, he had long been displeased.

Although he knew that with his current strength, he would not have a big chance of winning against Lin Ziming. However, this does not mean that he has been afraid of Lin Ziming ever since. On the contrary, there is a voice hidden deep in his heart, that is, one day, he will squeeze off Lin Ziming's head severely and tell the world who is talented. Be the best in the world!

It's just that he didn't think that this day would come so fast, he didn't know what Lin Ziming was thinking, and he dared to make Lin Ziming so arrogant to come to them all alone.

Not important, the reason is not important anymore, one thing he has to do now is to leave Lin Ziming here!

He clapped his hands and said, "Okay, very good! Lin Ziming, I'm a thousand-for-all, I don't know, you dare to come and die. In this week, you Hua Guo didn't have any actions. I used to I still don't quite understand, what are you thinking about, but now, from the moment you appeared, I want to understand. It turns out that you, China, wanted to preserve your strength and then behead us. I was right? "

I have to say that Bu Jingyun is still very clever. It was just a move by Lin Ziming, and he wanted to understand the joints. It is no wonder that Bu Jingyun was the super arrogant who was only ranked behind Xiaoyao King on the previous list of immortals.

But, I know, so what?
