

Chapter: 2389

Snapped!

A slap slapped Nangong Wuxie hard on the face. With great strength, he directly slapped Nangong Wuxie upside down, slammed into a pillar next to him, and then slid down.

Anu, who was guarding at the door, frowned when he saw this scene, and then quickly lowered his head, not daring to look at it again.

This slap was naturally caused by Nangong Wushang.

Chu Fei was also extremely surprised when she saw it. She also never expected that when she was about to die, a woman would suddenly come out, rescue her in such a tough way, and slap the third lady hard on the face. For a while, she was a little confused. Is this Nangong Wushang really a good person?

Nangong Wuxie suffered this slap in the face, and half of her face was swollen, but compared to her, there was more hatred and anger in her heart. This slap is nothing to her cultivation level, but the humiliation to her is indeed extremely huge!

She couldn't help trembling all over her body. After she stood up, she stared at Nangong Wushang, that look in her eyes could already kill people!

She shouted word by word, "Nan! Gong! Wu! Shang! How dare you beat me, how dare you beat me! You beat me for this bitch!"

The way she is now, after Chu Fei saw it, she was a little scared, because it was no different from a lunatic.

But Nangong Wushang didn't even change his expression. He still looked cold, and spit out a faint word: "Go away."

Nangong Wuxie became even more angry and hated, but she did not dare to do it, because she knew that she was far from Nangong Wushang's opponent, and if she did it, she would only suffer.

"Okay! Good!" Nangong Wuxie turned into anger, pointing to Nangong Wushang, "Do you dare to defend this bitch, wait for me to tell my father and see how you can protect her!!"

After saying this, she immediately turned and left.

When she walked to Anu's side, she gave Anu a sinister look. After Anu saw it, she immediately shuddered, and the cold sweat on her forehead kept coming out, lowering her head.

Finally, after she had left, Nangong Wushang waved his hand and said to Anu: "Retreat."

"Yes, second lady!"

Anu hurriedly saluted, and then hurriedly left.

After everyone had left, Nangong Wushang turned around and said to Chu Fei: "Sister, sorry, I have wronged you during this time."

With that, she was going to hold Chu Fei's hand.

But this movement of her shocked Chu Fei, and she subconsciously took two steps back and avoided her.

Nangong Wushang saw this scene, and was not angry, but felt even more guilty.

“Sister, I’m sorry, I scared you just now.” Nangong Wushang quickly apologized, with an extremely sincere attitude, even with some kindness.

Chu Fei looked at her, don’t know why, she felt so panicked just now, she felt that the woman in front of her was really hostile to her. On the contrary, there is an unspeakable intimacy, and to please.

Is she really his sister?

Because of Nangong’s innocence, she couldn’t easily believe the people here.
