

## Chapter: 2391

Chu Fei nodded and said, "Exactly."

It wasn't that Chu Fei was stupid and said everything, but she knew that this matter was not a secret in the Heaven Killing Sect, otherwise Nangong Wuxie would not have come so angry just now.

Moreover, looking at the appearance of Nangong's innocence just now, it is obvious that Lin Ziming has done another important thing in the past two days, killing many powerful men in the sect world.

Nangong Wushang was silent for a few seconds before revealing a bitter smile, "There is such a coincidence in this world. Big sister, your husband, it's not easy."

Chu Fei raised her head proudly. She has always been very proud of Lin Ziming, "Of course, Ziming is the best man in the world. Being able to marry him is a blessing in my life."

Nangong Wushang did not speak, because she really didn't know what to say.

It was not that she was blocked, but that she had just come out of seclusion and did not know Chu Fei's message. Even the name Lin Ziming, she had heard on the way here.

What she didn't even think of was that the husband of the eldest sister was Lin Ziming, the man who is currently the most popular.

She raised her head and looked at Chu Fei, as if she had something to say, but when the words came to her lips, she always endured it without saying it. Chu Fei saw her embarrassment and said directly: "Do you have anything to say?"

Nangong Wushang said, "Sister, I think you should forget Lin Ziming this morning."

When Chu Fei heard these words, her heart suddenly sank, but there was no expression on her face, but she said, "Why?"

"Because he is the enemy of our Heaven-killing Sect, the enemy of many of our sects, and you, the great sister of the Heavenly Killing Sect, you and him have no future." Nangong Wushang said seriously.

Chu Fei shook her head and said, "No, I will not forget him. He is the only true man in my life, and I will never forget him if I forget."

She said plainly, but her eyes were extremely determined.

Nangong Wushang saw her determination, and it was precisely because of this determination that she felt sad, not for herself, but for Chu Fei.

Because she knew that once the eldest sister was brought back to Killing Tianzong, it would be impossible to meet Lin Ziming again.

As the Sect Master of Heaven Killing Sect, a man standing on the pinnacle of the world, Tian Jue would never allow his daughter to be involved with men in the world, even if this man is so good.

Not to mention, this man is still the enemy of Heaven Slayer!

If, if, if Lin Ziming was in the secret realm, there was no way to kill Gong Chunqiu and Xiaoyao King, perhaps it would not be irretrievable.

But now, it is already a mortal enemy.

There is definitely no salvation!

Moreover, there is another sentence that Nangong Wushang did not say, that is, Lin Ziming will die.

It doesn't take long to die.

How can such a man have a future?
