

## Chapter: 2397

Lin Ziming said, "Qingyuntian, you've become famous since then, and I will tell you all over the world that you are a magnificent third-ranking powerhouse in the god realm, and you will attack two weak old people."

Hearing these words, Qing Yuntian was even more angry!

Too despicable, this damn Lin Ziming.

He even regrets it a little bit. He knew that Lin Ziming was so shameless. He shouldn't have troubled the two old people and threatened Lin Ziming.

However, he was not stupid. He quickly reacted and gave the phone directly to Chu Huaxiong and Liu Suhong, and said, "Speak."

Liu Suhong said quickly: "Ziming, come and save your parents, this guy is going to kill us, his methods are so cruel..."

Chu Huaxiong said in a deep voice, "Ziming, don't come to save us, parents are old enough to live. Parents only hope that you can find Feifei as soon as possible and take care of Feifei."

Lin Ziming breathed a sigh of relief when he heard the words of the two elders. He also heard that apart from being frightened, the two elders were not harmed. This shows that this is called Qingyuntian, which is still a little bit frightened. Moral.

"Parents, don't worry, I will come to rescue you." Lin Ziming said.

As long as the two old people are in trouble, then he is relieved. Although the strength of Qingyuntian is very strong, what is he afraid of?

After a while, Qing Yuntian answered the phone and said in a deep voice, "Lin Ziming, I'll give you ten minutes. If you can't make it within ten minutes, then you will wait to collect the dead bodies of two old things... ..grass!"

Qing Yuntian hadn't finished speaking yet, and the phone was hung up by Lin Ziming again, which made him extremely annoyed and couldn't help but explode.

He doesn't know how long it has been such a gaffe.

As the Supreme Elder of Wen Tianzong, and a master of the third-tier gods, he is one of the top people in the world.

No matter who meets him in ordinary times, shouldn't be respectful to him?

Even the Xiaoyao King back then had to be honest in front of him. After all, he was a top powerhouse on the same level as Tian Jue. When did he get such anger?

However, Lin Ziming didn't need to be afraid of him. He even dared to hang up his phone twice. He was so bold and unsure! !

He was very annoyed and wanted to kill.

But there is no way, he can't really kill these two old people!

In this way, his reputation really stinks.

Now he took a deep breath and concealed the strong murderous intent. As

long as Lin Ziming dared to come over, then he would use the most cruel method in the world to impose on Lin Ziming, let Lin Ziming know that he would offend him. What a wrong choice! !

He was about to sit down, adjust his breathing, and adjust his state to the end. After calming down, he also knew that Lin Ziming would definitely come, otherwise, he wouldn't talk to him so much.

He came to Lin Ziming this time, and he came by himself, paying a tooth for a tooth.

Lin Ziming dared to carry out the beheading operation, and went to the base camp of the martial world alone, and killed dozens of strong men in one breath. How could he fall behind Lin Ziming?

He had already made up his mind. When he took Lin Ziming's hand this time, he would just slaughter all the high-ranking and powerful people in China without stopping!

This is his plan, and it sounds arrogant.

However, as long as anyone who knows him knows, he definitely has this strength.

Although Lin Ziming's decapitation action a while ago was indeed very eye-catching, judging from the strength displayed in this battle, it seems that he already has the strength of the third-level pass god realm. He didn't believe it at all, thinking that Lin Ziming must have used the strength of other top powers to work together to create such a shocking handwriting.
