

Chapter: 2402

However, the more this is the case, the more it can arouse the fighting spirit in his heart!

The stronger Qingyuntian was, the happier he was. After coming out of the secret realm, he finally found a master who could fight him head-on.

At his level, the fastest way to progress is to fight the strong, so that he can make huge progress.

And Qing Yuntian is such an opponent who can match him!

However, he did not lose his mind because of this, because he knew, because he knew that the damage caused by fighting against a strong man at the level of Qingyuntian is extremely huge, and this villa will be demolished every minute. Now, it will definitely hurt two old people.

After he fistfisted with Qing Yuntian, he snorted, without any pause, turned around and ran.

He wants to divert Qingyuntian away.

For Qing Yuntian, he must also know what Lin Ziming meant. In fact, he also meant that, and went to fight in an open place.

To him, Chu Huaxiong and Liu Suhong were just like ants, their lives and life had nothing to do with him.

He sneered, and immediately followed Lin Ziming and rushed out.

Because of the huge movement caused by the punch just now, many owners in the villa area ran out to see what happened!

As soon as they came out, they saw two dark shadows. They were so fast that they couldn't see clearly, and they didn't even think that one of them turned out to be their neighbor. Lin Ziming who greeted them kindly.

It is said that after Lin Ziming rushed out of the villa, he kept racing, and the speed was indeed fast enough that an ordinary person could not understand.

At the same time, he could clearly perceive that the blue sky behind him was chasing very tightly, following him like a shadow.

Lin Ziming didn't run too far. After a while, he reached a remote flat ground, stopped, turned his head and looked at the blue sky lightly, his eyes calm.

Qing Yuntian arrived two seconds after he stopped, and stopped ten meters away, standing with his hands behind him, looking closely at Lin Ziming.

"You are very good at picking a place. The feng shui here is good, suitable for burying a master like you." Qing Yuntian talked openly, as if just stating a very natural thing.

In his opinion, Lin Ziming is definitely a dead person, and there is no possibility of survival.

He is not arrogant, but has enough confidence, because he has determined that Lin Ziming really came to the appointment by himself this time, and no master has been invited.

Originally, Qing Yuntian was still a little jealous, if Lin Ziming really found

a super strong, he would be really hard to deal with.

But he didn't think that Lin Ziming was really so dead, and he ran over by himself. If that was the case, then Lin Ziming was already dead.

Lin Ziming couldn't tell the meaning of Qingyuntian, he smiled and said, "You don't need to watch it, I'm the only one tonight."

Qing Yuntian said: "Lin Ziming, I have to admit that you have a lot of courage. In the younger generation, a genius like you is very rare. It is a pity that you are too arrogant, defiant, lawless, and this is doomed. , You will die, and you will never grow up to be a great genius when you seek the world."

Qing Yuntian's tone was purely teaching Lin Ziming.

"Really?" Lin Ziming was a little angry, but instead laughed, "I don't see it."

"Hmph, I don't know how to repent, if that's the case, then you go to die."
