

Chapter: 2407

When the Qing Yuntian in front of him saw this scene, his eyes couldn't help but beat fiercely a few times!

He knew how terrifying the punch just now was, but after Lin Ziming actually took a punch raw, he was not seriously injured. On the contrary, he returned to normal in such a short period of time?

What monster physique is this?

Qing Yuntian only felt incredibly incredible, if he hadn't seen it with his own eyes, he couldn't believe it was true!

This also shows that Lin Ziming's body must have reached an extremely strong point, and it has surpassed the level of all the powers of the gods!

He looked at Lin Ziming with jealousy and coldness in his eyes.

For such a Lin Ziming, if Lin Ziming is given a little more time, in three or five years, Lin Ziming will definitely become the strongest in the world! !

When the time comes, their martial art world may have no place to stay!

No matter what, he absolutely can't let this happen.

Therefore, regardless of anything, he once again played the killer trick just now, in order to directly kill Lin Ziming without giving Lin Ziming any vitality.

Why can't Lin Ziming feel his murderous intent, but he already knows Qing Yuntian's assassin, will he still be hit by Qing Yuntian? ?

If this can still be beaten by Qingyuntian, then he is not Lin Ziming, let alone the chosen son of this era.

He started to move when the sky was moving.

Moreover, his movements turned out to be the same as Qing Yuntian.

The same is that the body is suspended in the air, walking all over the mountains, stepping on the stars, leaning forward, focusing the power of one body, all the spirits and spirits on one's fist, and hitting this one punch of heaven and man!

After Qing Yuntian saw it, his brows jumped fiercely twice.

Then, there was a huge anger, Lin Ziming's yellow-mouthed child, it was an insult to him to dare to imitate him!

"Drawing a tiger is not an anti-dog! Are you worthy of my Qingyuntian punch?"

Lin Ziming didn't have any response, he hit this punch wholeheartedly, and the next moment, his fist hit Qingyuntian hard.

There was an unprecedented explosion.

It directly exploded the air, and a huge gust of wind spread out towards the surrounding where they collided in the center.

This sound wave is much stronger than Qingyuntian's lion roar power just now!

As a result, the huge explosion was clearly heard from far, far away!

And amidst this explosion, there was a slight cracking sound.
Immediately afterwards, there was a scream of pain, and the bodies of both of them flew upside down.
However, Qing Yuntian's body was obviously flying upside down more obviously and embarrassed.
Almost fell to the ground.
Moreover, huge pain appeared on his face. Obviously, Lin Ziming's punch just hit him!
Even, his wrist was directly dislocated and fractured. He raised his head and looked at Lin Ziming with a face full of disbelief.
