

## Chapter: 2408

This is the most gaffe in his history!

The expressions have become extremely exciting.

Isn't it? That punch just now, but his assassin, it's a big killer he has created for so many years. It's not just so superficial in the style of the move, it must be matched with the movement of the true energy to be able to play a hundred. The power of cents.

Before that, he was confident that there was no one but him in the world who could perform this trick.

However, the punch Lin Ziming struck just now greatly exceeded his expectations, and greatly exceeded his cognition!

He even wondered if Lin Ziming had learned his trick secretly, otherwise, how could it be possible to play it in such a short period of time?

But he immediately became sober and denied this possibility, because his trick was not even taught by his proud disciple Bu Jingyun, and he was the only one in the world who would strike this punch.

Therefore, there is no possibility of being stolen.

In other words, Lin Ziming had just realized it in such a short time!

Although it is not 100% powerful, it is also a shocking thing.

If he hadn't seen it with his own eyes, he couldn't believe it at all.

The most terrifying thing was that Lin Ziming had only been punched by him. He was injured, and he would be able to recover in such a short period of time?

What kind of perverted physique is this?

Even the Heavenly Killing Sect's Tian Jue can't do this!

He couldn't believe it.

Originally, he had sufficiently overestimated Lin Ziming's talent and physique, but now it seems that he is not overestimated, but absolutely underestimated. Lin Ziming's strength is far beyond his imagination. in.

He looked over suddenly and found that Lin Ziming had only taken a few steps back, and he had stabilized soon, obviously because he had not suffered any injuries.

As for him, after the punch with Lin Ziming just now, his whole body was full of blood, and he was already a little injured.

What frightened him the most was that he had no idea where Lin Ziming's limit was.

In that moment, he even had the idea of retreating.

Fortunately, as soon as this idea came out, it was immediately stopped by him.

In any case, he is a powerhouse in the third stage of the God Realm, standing in this world, the top group of people can reach the peak realm just a little bit.

And Lin Ziming is just a young man who is just a fledgling young man, especially after he has just stepped into the realm of abilities, he has no reason to be afraid of Lin Ziming. If it spreads out, then he doesn't need to have the face of Qingyuntian!

What's more, he came this time, but he came to take revenge for Ai Jingyun on foot and to destroy the powerful enemies of the martial world. If he had escaped now, what would it look like!

So he quickly stabilized his mood, and his will became firm again.

This is his invincible heart as a top powerhouse. Even if he faces a powerhouse like God Jue, he will not easily fail, let alone a hairy boy like Lin Ziming!

After Lin Ziming fisted with Qingyuntian just now, his blood was a little surging, but he was soon suppressed by him.

His current physique can be said to have reached an extremely terrifying state!
