

Chapter: 2412

Qing Yuntian felt that he was caught, and in an instant, his heart slammed, and for the first time a kind of endless fear!

His speed just now is already so fast, even if Tian Jue is present, I'm afraid he can't be caught, right?

But Lin Ziming caught him so easily, it was unbelievable. In other words, Lin Ziming, who was under the heaven and earth law, was even more terrifying in strength than before.

"Hi!!!"

He roared, and when Lin Ziming almost grabbed his neck, he counterattacked. First, his neck shrank sharply and shortened by an inch. At the same time, his neck turned back to help him with this force. A heavy kick on Lin Ziming's waist!

His kick completely gathered all the strength of his body. Once he hits the kick, then he has absolute confidence that he can hit Lin Ziming severely.

With a bang, it was indeed a kick, and the kick was very strong, and he was immediately happy.

But then, at the next moment, he found something was wrong, because Lin Ziming didn't make a scream, and the expression on his face didn't change. It looked like the ancient well did not waver, even, Lin Ziming also showed him a disdainful smile, as if mocking him for tickling.

"How is this possible?!"

Qing Yuntian blurted out.

At the same time, he was scared to death.

He kicked Lin Ziming with that kick just now, so there was nothing wrong with it?

Fortunately, his reaction was very quick, so many years of combat experience did not surprise him for too long, so he immediately reacted to the next round of counterattack.

However, this time Lin Ziming might still give him this opportunity?

The answer is definitely no.

Lin Ziming only applied a little force, and Qing Yuntian's neck squatted and broke.

Moreover, Lin Ziming slammed out with a punch, hitting Qing Yuntian's chest straight, with a bang, a dull voice, Qing Yuntian's wow blood spurted out, and Lin Ziming's chest was hit by Lin Ziming's punch. Collapsed in.

The whole person also flew upside down.

Lin Ziming returned the same scene to Qing Yuntian now.

It's just that Lin Ziming was able to recover from the first punch, but now Qingyuntian, can he recover?

Obviously it is impossible.

After Qing Yuntian received this punch, it was not just that his ribs were

broken. At the same time, his internal organs began to shift!

The breath became extremely weak all at once.

After Lin Ziming severely injured him with a fist, he didn't stop, and immediately jumped over in three or two steps, stood in front of Qingyuntian, looking at him condescendingly, "Qingyuntian, you are defeated."

Very simple six words, but it was a thunderbolt in Qing Yuntian's ears. He couldn't believe that he was defeated, and he was defeated so simply and thoroughly!

The other party didn't know anything about it, and in terms of strength, it completely crushed him.
