

Chapter: 2413

His body was trembling violently, his lips were trembling constantly, and his face was pale as paper.

“You, you, who are you?!”

Qing Yuntian’s expression was a little gaffe at this time, his voice was a little broken, and his eyes were wide-eyed!

Where is his mastery in the beginning?

Yes, even if he was defeated now, he couldn’t believe the facts before him. In his opinion, the young man in front of him is definitely not the Lin Ziming shown in his profile. He had investigated Lin Ziming, knew Lin Ziming’s origin, and even knew that Lin Ziming had been a door-to-door son-in-law, who was humble and humiliated.

Such a person, no matter how talented he is, how can he achieve such a sky-defying strength in such a short period of time!

Therefore, he believed even more that the person in front of him was not Lin Ziming, but someone else, a super strong man he didn’t know and didn’t know!

Seeing him like this, Lin Ziming only felt incredibly ridiculed, “Now that I am afraid? Do you think I dare to be alone, is really arrogant? I had expected that you would behead me. I have enough confidence to fight back. It’s just that I didn’t think that you dare to come alone. It seems that you still don’t pay enough attention to me and don’t understand my strength.

After hearing Lin Ziming’s words, Qing Yuntian only felt cold all over his body. From Lin Ziming’s eyes, he saw endless mockery and contempt. It was not arrogance and arrogance, but the other party just didn’t put them in his eyes. It is a kind of self-confidence based on absolute strength.

But, in any case, he couldn’t understand why Lin Ziming was so young and so late in martial arts, so he has such strength?

The most outrageous thing is that Lin Ziming just came out of the secret realm, even if he took a plane, he couldn’t have the strength of the third-level pass god realm!

There must be something wrong!

He asked loudly: “Why do you have such strength! What kind of opportunity did you get in the secret realm! Are you a human or a ghost? Have you been taken away by an ancient monster! ”

Qing Yuntian uttered a series of doubts. His eyes were cracked and his eyes were bloodshot. He stared at Lin Ziming, if he didn’t get the answer he wanted from Lin Ziming, then he would die!

Lin Ziming smiled. He naturally knew Qing Yuntian’s mood. After changing who he was, he met such a powerful young man, unexplainably powerful, and unacceptable.

However, Lin Ziming did not conceal anything. He directly told Qing

Yuntian, “You are right. I did get an opportunity in the secret realm. I was in the secret realm. After killing King Xiaoyao, I took the rest. All the fruits are swallowed, no more, no less, a hundred whole.”

Hearing this sentence, Qing Yuntian’s head rumbling loudly, leaving him in an absolutely bewildered state.

Immediately he blurted out again: “Impossible! This is impossible!!”

One hundred fruits, what concept is this!

When he swallowed five fruits, he was already in the ranks of super geniuses, that is, two less than Tianjue.

According to theory, a half-step master of the God Realm can only swallow ten fruits at most, too many can’t be absorbed!

It may even cause an explosion.

But Lin Ziming is just an ordinary half-step divine realm warrior, no matter how talented he is, no matter how savvy he is, he is still a mortal fetus, how could he be able to swallow a hundred fruits and be safe!

However, he saw from Lin Ziming’s eyes again that Lin Ziming didn’t deceive him, there was absolutely no need for this.

After he realized this, his lips trembled badly, and then he knelt down towards Lin Ziming: “Please, let me go...”
