

Chapter: 2414

All pride, all dignity, collapse at this moment.

Logically speaking, people like Qing Yuntian have already stood on the human pyramid and can call the wind and rain. Nothing has ever been seen before, and they have lived for 80 years. It is impossible for them to be so afraid of death.

But it is precisely because he has lived for too long, the more he knows the preciousness of life, how much time and energy he has spent to cultivate to the present level, he is a master no matter where he goes, if he is allowed to die like this Now, he is really unwilling and unwilling.

Moreover, for him, kneeling to Lin Ziming is not too much of a great thing. He has long known the reason why it is not too late for a gentleman to avenge him for ten years. Although he is indeed not Lin Ziming's opponent now, as long as he overcomes this difficulty, he will have the opportunity to find Lin Ziming's trouble in the future!

Apart from other things, with his identity and status, he combined several top masters in the martial world to behead Lin Ziming together. It was a matter of minutes.

I have to say that he is still a very powerful person. In a short period of time, he has already thought about the following things. As long as he can survive from Lin Ziming, then he has a chance to get revenge!

Lin Ziming was a little surprised to see him kneeling so straightforwardly. In his opinion, the bones of a super master like Qing Yuntian would be harder, but he did not expect that he underestimated Qing Yuntian a bit.

Wrong, it is underestimation, not overestimation.

Qing Yuntian's kneeling is not because Qing Yuntian's bones are soft, but because Qing Yuntian can bend and stretch, and is a character.

Indeed, who can get to the realm of Qingyuntian, where is the kind of brave and brave man?

However, what Qing Yuntian never expected was that it was precisely because he was kneeling so swiftly that not only did it cause Lin Ziming's contempt, but it made Lin Ziming even more jealous of him and even more murderous. However, Lin Ziming didn't show it at all.

Lin Ziming just looked at him condescendingly. It was absolutely impossible for him to let Qingyuntian go.

Before killing Qingyuntian, he had to find a way to squeeze the value of Qingyuntian and get more information about the martial world.

"I can let you go, but you have to prove to me your worth."

Lin Ziming said lightly.

As soon as Qing Yuntian heard these words, he was immediately overjoyed. In his opinion, Lin Ziming was still too young after all, and he was fooled by him. With a very respectful look on his face, he quickly said: "Yes, yes,

now I am your prisoner. As long as I know everything, I will tell you.”

Lin Ziming nodded, with a very satisfied and proud look on his face. What he showed was in line with the pride and publicity of a young man of his age, and he didn't appear to be so steady.

After Qing Yuntian saw his expression, his heart became more calm.

Even a little proud, even if Lin Ziming's talent is so high, what about? In terms of life, Lin Ziming is still too young, far less than an old fox like him.

However, at this critical juncture, he did not sloppy with Lin Ziming. As long as Lin Ziming wanted to know, Qing Yuntian told Lin Ziming.

Including some secrets in the martial world, and who is the strongest in the martial world.

After Lin Ziming listened, he showed a thoughtful expression and said, “According to you, the most powerful person in the martial art world is the Heavenly Killing Sect.”

Qing Yuntian nodded and said: “Yes, Tian Jue is the strongest. He is not only the strongest in the martial world, but also the best in the world...”
