

## Chapter: 2415

When he said this, he suddenly thought of something and quickly changed his words and said, "Of course, now that you appear, you have surpassed Tianjue and become the strongest person in the world."

His flattery was a bit ostentatious, making Lin Ziming a little funny after listening to it, but I have to say that it feels pretty cool to be flattered by a top expert like Qing Yuntian.

Suddenly, Lin Ziming thought of something. He took out his phone, opened a video, showed it to Qing Yuntian, and said, "Do you know who this man in the video is?"

This video is exactly what Jiang Liqun gave him.

Qing Yuntian was a little puzzled. When he fixed his eyes, he immediately showed a surprised expression and blurted out, "Tian Jue, this is Tian Jue." Heavenly?

Lin Ziming heard these words, immediately, his heart shook, and at the same time he narrowed his eyes.

He really didn't expect that the person who took Chu Fei abducted would be Tian Jue, the strongest man in the world!

But soon he also wanted to understand that only people like Tian Jue would make his mother and Nishang reluctant to tell him the truth. Tian Jue's reputation is too loud. As the world's number one powerhouse, change whoever fights against him is a dead end.

Qing Yuntian looked at Lin Ziming with a little doubt. He didn't understand why there was a video of Tian Jue's action in Lin Ziming's hand?

Logically speaking, a person like Tian Jue would not be caught by others. Especially in the video, Tian Jue is obviously carrying a woman, which is even more strange.

Based on his understanding of Tian Jue, Tian Jue is dedicated to cultivation, just to break the shackles of the Tongshen Realm and pursue the legendary realm of immortals!

However, just when he was still about to speak, Lin Ziming rushed forward to speak with a smile on his face, "Qing Yuntian, thank you, let me find the way."

Qing Yuntian was even more stunned when he heard this sentence. Then, when he realized something, his face changed suddenly, and he called out in a loss of voice, "Lin Ziming! You promised me to release..."

With a bang, before he had finished speaking, Lin Ziming slapped his forehead with a palm, bleeding from seven holes, his eyes gradually diminished, and his vitality was completely lost.

Lin Ziming's shot was very simple, but he didn't cause him much pain.

However, he couldn't understand why Lin Ziming wanted to kill him. The most important thing was that he didn't even feel Lin Ziming's murderous

intentions!

At the same time, in the martial art world, in Wentianzong, in a majestic building, there was a huge cry of sorrow suddenly.

Let the whole person who asked Tianzong heard it.

The person guarding the building suddenly saw that on the top of the life card, the life card with the words Qingyuntian was suddenly cracked!

This means that Qingyuntian is dead.

And Qingyuntian, but the number one master of Asking Tianzong!

Even the Sect Master is not Qing Yuntian's opponent, but he died suddenly like this?
