

Chapter: 2417

However, as soon as this idea came out, it was immediately thrown away by him, because it was impossible, which was really absurd.

No one knows Qing Yuntian's strength better than him, and Lin Ziming's information is also very clear to him. Even if three Lin Ziming are tied together, they may not be Qing Yuntian's opponent.

However, since Qingyuntian has fallen, and Qingyuntian is looking for Lin Ziming again, then it means that Qingyuntian must have died in Lin Ziming's hands!

But what he thinks is that Lin Ziming must have known this information in advance, and then started to set up traps, in a sinister way, secretly calculating Qingyuntian!

Thinking of this, he became even more angry and hated!

Originally, after Lin Ziming killed Bu Jingyun, he had already become Wen Tianzong's number one enemy. Now that Qingyuntian's fate has been met, Lin Ziming is already his biggest enemy of Wen Tianzong! ! !

He spread, "Go, tell Quanzong, from then on, Lin Ziming is the biggest enemy I asked Tianzong, and I will kill him by all means to avenge Qingyun and Bu Jingyun!"

"Yes, Sovereign!"

After the others heard it, they all acted and told them.

In a short while, the entire Ask Tianzong learned about this matter. The hatred and murder of Lin Ziming can be said to have reached a peak!

"This damn Lin Ziming! Too despicable and hateful! I swear, I will kill him!"

"If you just beat him to death, it would be too cheap for him. He must be captured alive and tortured in every possible way! Only then can I avenge Senior Brother Bu Jingyun and Master Qingyun!"

"Cultivation, practice desperately, no matter what, this Lin Ziming dares to provoke us to ask Tianzong like this, he must die!"

For a time, the whole Wen Tianzong's emotions were mobilized, and everyone had a deep hatred for Lin Ziming, and they wanted to do everything possible to kill Lin Ziming.

Under this kind of emotion, all of them share the same hatred of the enemy, and they practiced more hard, striving to improve their cultivation level as soon as possible, killing Lin Ziming, and avenging him.

I have to say that under this circumstance, the speed of their practice is really much faster.

In a sense, Lin Ziming also helped them.

If he changed someone else, he would have been hated by such a powerful force as Tianzong, he would definitely be out of panic. But for Lin Ziming, he didn't care at all.

In terms of his current cultivation base, he is not afraid of anyone at all. Even the world's number one Tianjue, when he is in front of him, he also has the courage to punch.

He watched the video several times again, and muttered, "Feifei, don't worry, I already know where you are now, I will definitely save you, wait for me, wait for me!"

After saying this, he disappeared suddenly.

Not long after he left, people began to come here and saw Qingyuntian who died here, who happened to be from the martial world.

They didn't know Qing Yuntian at first, but not long after they reported to their sect, they quickly learned the identity of Qing Yuntian, and the world was shaken.

This message spread quickly, especially for all people in the martial world, Qing Yuntian's death, for them, the impact is too great!

Soon, in Killing Heaven Sect also began to get this message...
