

## Chapter: 2419

Nangong Wuxie confirmed this message, but still felt very incredible. People like Qing Yuntian are not ordinary powerhouses in the realm of the gods. It can be said that they exist like gods. On this earth, except for a few two or three people, who can help Qingyuntian? Even the so-called hot weapons in the secular world can definitely not hurt Qingyuntian.

“Who made the shot?” Nangong Wuxie asked cautiously.

Tian Jue didn't answer immediately, but after drinking a cup of tea, he said calmly, “It's Lin Ziming.”

Nangong Wu Xie brows fiercely after hearing this!

Is it really Lin Ziming? !

Is that Lin Ziming really that amazing!

This makes sense.

Didn't she have investigated Lin Ziming, knowing that Lin Ziming is just an ordinary person from a small family in the world, and that family can't be small anymore, how could it be possible to cultivate a strong man like Lin Ziming!

To be honest, with Lin Ziming's background, being able to step into the realm of the gods, that is already the enchantment among the enchantments.

If Lin Ziming had the ability to kill Qing Yuntian, she would not believe it.

But now the facts are in front of her, so she has to believe it, because she knows that her father will not lie to her.

This made her even more uncomfortable. The man that Nangong Wuxia was looking for was not a common man, but such a arrogant man?

She was not stupid, she had already guessed vaguely that the reason why her father would visit her mansion at this time was mostly related to Nangong Wuxia.

“In my opinion, it is mostly Lin Ziming who gathered a number of powers of the God-Sounding Realm and designed a trap to kill Qing Yuntian. Otherwise, with Lin Ziming's strength, it would not be Qing Yuntian's opponent.” Nangong Wuxie Shen Speaking loudly, she didn't want to admit that Lin Ziming had such strength.

The sky was absolutely non-committal, but some light flashed in his eyes, then put down the teacup and said faintly: “I heard that you went to Wuxia's place a while ago and gave her ugly?”

coming!

Hearing this sentence, Nangong Wuxie immediately felt nervous. Although his father's tone was very flat, after years of following, Nangong Wuxie still heard it, and his father was a little unhappy.

She did indeed do this, and she can't deny it in front of her father, “Yes, she's back. As a younger sister, I should visit her. In fact, the second sister also visited her, more often than I did. many.”

After saying this, she lowered her head.

Tian Jue was silent for a while, and then said, “You hate Wuxia?”

Nangong Wuxie gritted his teeth and said, “She is the shame of our Nangong family. Shouldn’t I hate her?”

As soon as she finished saying this sentence, she suddenly felt that the pressure around her had increased a lot, and it was emanating from her father, making her uncontrollably frightened.

If she changes the past, she finds that her father is angry, she must kneel down and beg for forgiveness.

But this time, she didn’t want to do this, because she was wrong, and she hated Nangong Wuxia!

After a while, Tian Jue said, “No more embarrassment and flawlessness in the future.”

After saying this, he stood up directly, obviously he was leaving here.

Nangong Wuxie couldn’t help blurting out, “Father, I don’t understand! Why did you bring her back? You once said that she is a shame to our Nangong family, and you told us not to learn from her...”

Suddenly, Tian Jue turned his head, his expression coldly cold, “Are you reprimanding your father?!”
