

## Chapter: 2420

Nangong Wuxie immediately became nervous and panicked. She saw through the eyes of her father Tian Jue that her father was not joking with her, but serious. If she dared to question one more thing, she would soon be severely affected by her father. punishment!

She shook her head quickly and lowered her posture, "Father, I was wrong!" Tian Jue took a deep look at her, and seemed to have no common knowledge with her, he just snorted, and then left here in big strides.

It was not until he completely left that Nangong Wuxie dared to raise his head and let out a sigh of relief.

It's just that her eyes are still full of unwillingness.

But anyway, she didn't dare to disobey her father's will. In a short time, she didn't dare to continue to trouble Nangong Wuxia.

At the same time, on Chu Fei's side, Nangong Wushang came and told her that Lin Ziming had killed Qing Yuntian.

"Sister, your husband is terrible. He actually defeated Qing Yuntian. This is a super strong man who could be compared with his father back then!"

Nangong Wushang said in astonishment.

After Chu Fei heard this message, she felt extremely happy in her heart. In any case, Lin Ziming was able to have today's strength, she was proud and happy for Lin Ziming.

"Really?" Chu Fei just smiled faintly, and said: "He will never let me down."

Nangong Wushang also said with emotion, "Sister, how did you recognize Lin Ziming? He is now the most famous and powerful man in the world! I never thought that even someone like Qing Yuntian is not him. The opponent is now, so it can be seen that his strength has reached a terrifying realm?"

The corners of Chu Fei's mouth rose upward, even if she tried to hide it, she still couldn't help showing her pride and joy.

At the same time, there was a little more hope in her heart. Will Lin Ziming come to rescue her?

In the past, she was afraid to think about this because she was right, and she was afraid of harming Lin Ziming, but now Lin Ziming's strength is constantly improving, and she has reached the top of the world, and it seems that it is not too far away to save her.

However, this thought just appeared, and she was immediately suppressed. Anyway, Lin Ziming's safety is the first thing in her heart.

Nangong Wushang seemed to see her thoughts and said, "Elder sister, if brother-in-law is so powerful and can defeat father, maybe you and brother-in-law cannot be reunited?"

When Chu Fei heard these words, she immediately looked at Nangong

Wushang again, with some caution, and said, “Is this what you meant, or what he meant?”

What she said about him, naturally, is absolutely heavenly.

Nangong Wushang shook his head and said, “Father hasn’t said anything, it’s just I mentioned it at random...”

“is it?”

Chu Fei’s eyes flickered.

However, at this moment, suddenly, a voice came from outside, “If Lin Ziming dares to come here, I can consider it.”

This voice appeared suddenly, causing Chu Fei and Nangong Wushang to be stunned for a while, and there was no reaction.

Immediately afterwards, Nangong Wushang became nervous, stood up hurriedly, maintaining a respectful posture. Perhaps the eldest sister did not hear it, but she did. This voice was surprisingly from his father Tianjue!

Sure enough, soon, Anu outside the door respectfully said: “Sovereign Lord!”
