

## Chapter: 2422

When Chu Fei heard this, her face was immediately happy, and she blurted out: “Really?”

With a kind smile on Tian Jue’s face, he gently stroked Chu Fei’s hair, and said softly, “Of course it is true. Could you be a father who will deceive you?”

Although Tian Jue said so, she couldn’t find any deceit on her face, but Chu Fei always felt something was wrong instinctively. Is her father really that easy to talk?

This seems to be a little different from the father in the memory.

However, anyway, after Chu Fei heard this sentence, she was still very happy. If what her father said was true, then it would indeed be the best result for her!

Only Nangong Wushang frowned slightly, and some doubts appeared on his face. In her opinion, the eldest sister had been away for so long, and she did not know her father so well. Logically speaking, my father should be so good at talking.

The most important thing is that Lin Ziming killed Gong Chunqiu and Xiaoyao King. These two people are super geniuses of the Sect of Heaven and are also the heart of his father. Can his father really let Lin Ziming go? He felt unrealistic.

However, she couldn’t say anything to seize this situation.

She thought, after her father left, she would remind her elder sister again.

Chu Fei said here: “Then, can I go back and contact him?”

Tian Jue said: “There is a phone in the sect. You should remember his phone number. Just call him. What do you think?”

Chu Fei frowned even more. After all, she was not stupid. Hearing what her father said, she wanted Lin Ziming to come here to pick her up!

But here is the Killing of Heaven Sect, his father’s territory. If Lin Ziming comes, if his father really has ideas about Lin Ziming, would Lin Ziming just fall into the tiger’s lair?

For a while, she also fell into hesitation.

Tian Jue showed some dissatisfaction on his face and said, “Flawless, do you think I am planning to make you fool Lin Ziming?”

Chu Fei shook her head quickly, and said, “No, father, I definitely don’t mean it, but...”

“Just what?” Tian Jue seemed to be a little unhappy, waved his hand, and said with a sigh: “Also, since you don’t believe in being a father, then forget about this matter, let you continue to stay here.”

When Chu Fei heard these words, she immediately became a little nervous, and shook her head quickly and said, “No, father, you have misunderstood. I just...ok, I’ll call him.”

“Well, that’s good.” Tian Jue patted Chu Fei on the shoulder, with a relieved look on her face, and said: “In the past, I was really disgusted that you married a man in the world, because my father thought, In the world, there are mediocre talents, and there is no one who can match my Tian Jue daughter. Now it seems that I am too prejudiced for my father. This Lin Ziming is an absolute genius, and being my son-in-law is indeed right.”

After saying this, he continued to comfort Chu Fei for a while.

When he turned around and left here, instantly, the smile on his face disappeared, and all the kindness and gentleness turned into coldness and murder.

I have to say that his acting skills are still very good, so Chu Fei can’t tell at all, and stupidly thinks that Tian Jue really recognized Lin Ziming.
