

## Chapter: 2423

Originally, Nangong Wushang wanted to say a few words, but when she left, Tian Jue gave her a look, making her stunned, and she didn't dare to talk too much.

She didn't know how long she stayed at Chu Fei's place. After chatting a few words, she found a reason and left here.

After coming out, I saw my father Tian Jue waiting for her on the pavilion. "father."

After she walked up, she quickly saluted Tian Jue.

"Yeah." Tian Jue nodded, and then said faintly: "You are not allowed to talk in front of Wuxia in the future, you know?"

After hearing this sentence, Nangong Wushang suddenly snorted in his heart, and at the same time he was even more sure that his father had cheated the eldest sister just now in order to trick Lin Ziming over!

She hesitated for a while, and said: "Father, I think the eldest sister is very happy in the world, do you need to force her back?"

After Tian Jue heard these words, his face suddenly sank, "Are you teaching to be a father?"

Nangong Wushang quickly lowered his head to admit his mistake, "Wushang dare not!"

Tian Jue's face eased a little, and his tone became softer, "Wu Shang, you are the most satisfied daughter for your father, and you have high hopes for your father. The next secret world will open, and your father will personally send you in. You Brother Xiaoyao has no ambitions to fulfill, so I'm handing it over to you."

Hearing this, Nangong Wushang suddenly panicked and said, "Father, how can Wushang compare to Senior Brother Xiaoyao."

Tian Jue said indifferently: "Why can't it be compared? Your Senior Brother Xiaoyao died on Lin Ziming, and his luck was concentrated on Lin Ziming, otherwise you thought Lin Ziming could grow so fast? Wait for Lin Ziming to come. After Killing Heaven Sect, I will subdue him, and you will end him personally and take away his luck. At that time, your achievements will be greater than your brother Xiaoyao!"

Suddenly, Nangong Wushang was shocked. It seemed that his father was really hitting Lin Ziming's idea!

To be honest, after hearing these words, she was both unexpected and expected.

She knew that her father definitely didn't want to let Lin Ziming go easily, but if Lin Ziming was ended in this way, then for the eldest sister, how big a blow would it be! !

To be honest, she really couldn't bear it, and couldn't help but say, "Father, we = if we do this, will it be too cruel for the eldest sister?"

Tian Jue snorted heavily, “Women’s benevolence! Your eldest sister is bleeding from my Nangong family. The little one in the world, Lin Ziming, is not worthy of your elder sister! Besides, this Lin Ziming is killed. There are so many elites in my sect world, and they are already the number one enemy of my sect world. If you let your eldest sister and Lin Ziming be together, we will stand on the opposite side of the sect world! Not to mention, your brother Chunqiu and Brother Xiaoyao are both Dead in his hands, if this revenge is not reported, how do you face them under Jiuquan? Hearing this, Nangong Wushang also knew, and his father made up his mind to kill Lin Ziming.

To be honest, she didn’t have any feelings for Lin Ziming, and even when she knew that Lin Ziming had killed Gong Chunqiu and Xiaoyao King, she also had murderous intent towards Lin Ziming.

But anyway, Lin Ziming is the husband of the eldest sister, and it seems that the relationship between the eldest sister and Lin Ziming is not shallow.

One can imagine how desperate and painful the eldest sister will be.
