

Chapter: 2428

Hearing this voice, Lin Ziming was stunned on the spot!

“Hey, Ziming, it’s me, Feifei...”

Chu Fei’s voice sounded so familiar and unfamiliar.

Familiar because he has been listening to this voice for many years.

It’s unfamiliar because he hasn’t heard of it for a long time, and they all say that a day is like three autumns, and there are at least three autumns between him and Chu Fei!

To be honest, at this time, he never expected that he would receive a call from Chu Fei.

This is really beyond his expectation.

He is even ready. When the time comes, he will be alone, and he will be ready to kill the Heavenly Sect. Even if the dragon is in front of him, he will rescue Chu Fei!

But now, Chu Fei actually called him in advance, which really surprised him, and at the same time was extremely surprised and happy!

His reaction was quick, and it happened in an instant. Chu Fei called him at this moment. Does it mean that Chu Fei is out of trouble?

“Feifei? Is it you? Is it really you?” Lin Ziming asked cautiously. Although he had already heard Chu Fei’s voice in his ears with confidence, deep down, he still couldn’t believe it. , Because he and Chu Fei hadn’t seen each other for too long, and his thoughts and worries for Chu Fei had reached an extremely strong level.

If he hadn’t had enough mental quality, he would have suffered from anxiety already!

Now that I heard Chu Fei’s call, to him, there was even an unspeakable illusion.

Finally, Chu Fei’s voice came again on the phone, with a little crying voice, “Ziming, it’s me, Feifei, Ziming, I miss you so much...”

Hearing this voice, Lin Ziming’s nose was sour.

He really missed Chu Fei so much. Now that he heard Chu Fei’s crying voice, the kind of miss and love in his tone suddenly broke Lin Ziming’s heart, making him jealous.

However, he quickly calmed down. He knew that it was definitely not that simple for Chu Fei to call him at this time.

“Feifei, I miss you too, and I miss you very much.” Lin Ziming expressed his thoughts, and then said: “Feifei, how have you been recently? Have you suffered any harm?”

In fact, when Lin Ziming asked this sentence, his heart was full of anger and murderous intent, and even a little nervous. He was afraid that he would hear bad news from Chu Fei. If Chu Fei was in the Heavenly Killing Sect, he would not be able to live. Well, he was oppressed, so he was really afraid

that he would not be able to bear it, so he immediately rushed to Killing Heaven Sect!

But he didn't dare to express his emotions. He wasn't sure whether Chu Fei's phone call was monitored, or if someone was right beside Chu Fei.

In fact, he was right to do this, because beside Chu Fei, there are really other people, among them Tian Jue is here, with a faint smile on his face, it seems that he is very kind and kind. Looks like, but in his eyes, it is cold and murderous that can't be concealed.

This call was made by Chu Fei deliberately to call Lin Ziming.

After Chu Fei heard it, she quickly shook her head and said, "There is nothing wrong with me, I have nothing wrong, I have had a good time here." "Really, that's good, that's good!"

Lin Ziming felt relieved when he heard these words. As long as Chu Fei was not bullied, it would be fine.

However, even so, he did not relax completely, because he himself knew very well that there was a bloody feud between him and Tianzong. He didn't believe it because of the existence of Chu Fei and because of his status as a son-in-law. Tian Jue of Killing Tianzong will let him go.
