

## Chapter: 2429

After all, he killed Gong Chunqiu and King Xiaoyao who killed Heavenly Sect.

They chatted a few sentences, and in each sentence, they expressed their longing and affection for each other.

But Chu Fei didn't dare to say too much. She coughed twice and began to say: "Ziming, it is like this. My father and I told us about our affairs, and he agreed to our marriage. He wanted to personally see you, is it convenient for you to come here during this time?"

Chu Fei said these words softly, her tone full of expectation and tension.

However, after Lin Ziming heard these words, there was a groan in his heart. What he was worried about still happened. Sure enough, this phone call from Chu Fei was instructed by Tian Jue, and it was to lead him to Killing Heaven Sect!

He had thought of this possibility before, but he hadn't thought that things would develop in this direction.

Thinking about it carefully, Tian Jue would do this, which was what he expected. It showed that Tian Jue knew that the relationship between him and Chu Fei was deep. Knowing that he would definitely not give up Chu Fei.

Then he used the family card to persuade Chu Fei and asked Chu Fei to make this call to him.

Intellectually, Lin Ziming knew that at this time, if he went to kill the Tianzong alone, then he would probably have a dead end!

However, Chu Fei spoke like this, does he have a reason to refuse?

Chu Fei heard Lin Ziming's silence, she realized something was wrong, and asked cautiously: "Ziming, if you have something to be busy, you can come here later..."

Chu Fei was as considerate as ever.

When Lin Ziming heard these words, his heart was warm, and at the same time he felt extremely helpless.

For such a Chu Fei, can he refuse the woman he loves most in his life?

Just when he was about to speak, a man's voice came, "Ziming, I am Chu Fei's father and your father-in-law, I want to see you."

Hearing this voice, Lin Ziming's expression immediately became cold!

Where he can't hear it, the owner of this voice is Tian Jue, and Tian Jue's words are so direct. The tone is kind and plain at first, but when it reaches Lin Ziming's ears, it can be heard right away. , The threat in the tone.

If he doesn't pass, then Chu Fei must have something wrong!

Despicable, shameless!

As Chu Fei's father, Tian Jue was so vicious.

However, at this time, does he have the conditions and Tianjue to turn his

face?

Unless he doesn't want Chu Fei anymore.

So he also smiled and said, "Okay, my father-in-law, I will pass. But I don't know your address. I wonder if you can tell me?"

On the phone, Tian Jue's voice soon came, "It's very simple, Wu Xia and I are now in Killing Heaven Sect, good son-in-law, you must know where Heaven Killing Sect is. Father-in-law is waiting for your arrival."
