

## Chapter: 2431

He was already killing Lin Ziming, and he would definitely not let Lin Ziming go. As long as Lin Ziming dared to come, he would be a dead end! In fact, besides his fear of Lin Ziming, the reason why he came to call Lin Ziming was that there was another reason, that is, the aura of Chu Fei's body was indeed about to mature.

Lin Ziming's presence on such a big day couldn't be better.

Then, Chu Fei also chatted with Lin Ziming. She still didn't realize that her actions today had already caused a huge trouble for Lin Ziming. She was very happy when she heard that Lin Ziming was coming to pick her up.

Lin Ziming heard the joy in her tone, and there was no deception, which made Chu Fei worried and guilty. He wanted to give Chu Fei an absolutely happy life.

Because one day was here, Chu Fei didn't have a long conversation with Lin Ziming. After the date was set, she hung up the phone.

"Father, Ziming is a very filial person, he will definitely respect you in the future!" Chu Fei walked up to Tian Jue and said seriously. She wanted to work hard to make Tian Jue accept Lin Ziming.

Although she has any feelings for Tianjue, she dare not say anything. Tianjue is her biological father. This is an inseparable blood relationship. If Tianjue can accept Lin Ziming, it would be great.

Tian Jue smiled, patted Chu Fei on the shoulder, and said with a smile: "Really, then I'll wait and see."

On Lin Ziming's side, after he hung up the phone, he sighed heavily, feeling heavy in his heart!

To be honest, he didn't even think about going to Kill Tianzong to save Chu Fei, but that day came too soon. He didn't grow to the strongest state, and he was not completely prepared. A lore was caught off guard.

Moreover, the current world war is taking place, and the entire Chinese nation and the entire world still need him.

He shook his head and threw these distracting thoughts away. In any case, he will definitely not give up Chu Fei, and since this day has arrived early, he will not evade cowardly.

He put all his energy on the practice, using these last few days to practice frantically, adjusting his strength to the best state.

And, besides that, he has to make a plan. This is a complete banquet. If he just kills it so straight, he will definitely end badly!

It can't be like this.

He must come up with a way to minimize the risk!

Originally, he wanted to tell Whampoa Road this message, but after thinking about it carefully, he still gave up this idea.

Because he knew that if he told Whampoa Road, then Whampoa Road

would definitely go to Kill Tianzong with him. This way, Huangpu Road would be hurt, and he could not do this.

The current China needs Whampoa Road.

Therefore, in the remaining period of time, in addition to practicing, he also used his last strength to help China desperately.

Finally, on the agreed day, he went to Killing Heaven Sect alone.
