

Chapter: 2433

He was standing there now, and soon attracted the attention of the mountain gate. Soon two young men in long robes leapt over and came to him at once, looking at him from aloft, with a tone full of superiority and harmony. Proudly, as if he was born more noble than him.

“Who are you?”

These two young people are both masters of the innate realm. Although the realm is not very high, they are very talented and have the potential to stabilize the God Realm.

Even the two disciples guarding the mountain gate have such talents. One can imagine how terrifying the talent pool of the Heavenly Killing Sect is.

Lin Ziming arched his hands, showing a very polite look, and did not say that he was Lin Ziming, because he would not be that stupid at all.

If Tian Jue asked him to come over, he would naturally not be so stupid that he would use his real name and startled the snake when he came.

Although he has confidence in himself, it does not mean that he will be stupid to this degree.

He had been prepared long ago, disguising himself as another person, and this person was an ordinary disciple of the Heavenly Killing Sect who had no reputation, and could be fooled.

After the two gatekeepers questioned, they found no loopholes. The name and information were correct. Lin Ziming’s temperament also seemed ordinary. They didn’t have any doubts, and they quickly gave Lin Ziming let it go.

However, when Lin Ziming was about to enter, one of the disciples who guarded the door stopped him and said, “Junior Brother, wait a minute.”

Hearing this, Lin Ziming’s heart suddenly shook. Could it be that he was discovered? !

He secretly accumulates his strength and is ready to kill with one blow.

If he is really recognized, then he definitely can’t just sit back and wait for death. He will shoot directly, kill these two disciples, and do other ways to mix into the Heavenly Killing Sect. In any case, he can’t let Tian Jue know. ,

He has come over early.

Of course, although Lin Ziming had a huge murderous intent in his heart, he was still respectful on his face and said, “Brother, I don’t know what else is wrong with you?”

The senior brother showed some curious expressions on his face and said, “Brother, I heard that you went down the mountain this time to participate in the secular battle. I don’t know if you have ever seen Lin Ziming in the secular world?”

Hearing these words, Lin Ziming couldn’t help but stunned, and immediately afterwards, his heart was also lifted!

What does this disciple mean, is it already clear that he is Lin Ziming!
On the surface, he was still calm, shook his head and said: "I haven't seen it before. If I see it, I will definitely cut him off the horse!"
Lin Ziming said that he was very confident and hateful, and at the same time he looked at the appearance of the two disciples.
I immediately saw the two disciples laughing, not mocking him, but laughing at him for being too naive, obviously he knew Lin Ziming's fame.
Another disciple said, "Hahaha, Junior Brother, you have a good heart, but Senior Brother suggests that if you really meet Lin Ziming, then you can run as far as you can, don't think about it. Cut him off the horse."
"Senior brother, do you think I'm afraid that I won't be able to fight together?!" Lin Ziming made a very angry look.
The senior brother waved his hand and said, "That Lin Ziming is not a simple character, not something we ordinary disciples can deal with..."
After a pause, he asked again, "By the way, Junior Brother, you have been in the world for so long, and you have heard a lot of messages from Lin Ziming. I heard that he killed Qingyuntian. Is that true?"
Lin Ziming could have heard it. It turned out that these two guys didn't doubt his identity, but were very interested in Lin Ziming.
Lin Ziming chuckled twice, not thinking of his reputation, it was so loud when he arrived at Killing Heaven Sect.
