

Chapter: 2435

Hearing him say this, the two disciples also knew that this must be true, otherwise, Senior Brother Changfeng would not say that, and after Lin Ziming heard it, his pupils suddenly shrank!

It seems that Tian Jue is indeed going to choose a son-in-law for Chu Fei. This is to slap him in the face naked, he doesn't care about him, and he doesn't care about Chu Fei's happiness!

In an instant, Lin Ziming's murderous intent on Tian Jue was extremely strong.

Because of the leak of his murderous intent, the three disciples were arrested immediately, especially that Senior Brother Changfeng, who was on the verge of an enemy and immediately looked around.

"It's murderous!"

He said in a deep voice.

Lin Ziming immediately became sober, restrained the killing pressure, and returned to nature in a single breath.

Soon, he caught the attention of Senior Brother Changfeng, staring at him and asking, "Which school do you belong to and why do you look so unpretentious?"

Lin Ziming's face has now returned to absolute naturalness, and he held his fist to Senior Brother Changfeng, and said with some respect, "Brother Hui Changfeng, I am from Mount Danfeng."

Lin Ziming said his disguised identity once again. There was indeed this person, plus Lin Ziming's current appearance, it looked unremarkable, just an ordinary disciple, so he did not attract the attention of Senior Brother Changfeng.

After leaving from here, Lin Ziming's heart was somewhat heavy. He walked around in the Heavenly Killing Sect, and it was probably certain that Tian Jue really wanted to choose Chu Fei's son-in-law!

Moreover, the time will be three days in the near future!

I have to say that this Tian Jue is really enough for a chicken thief. The time they agreed is five days later, and Tian Jue will forcibly marry Chu Fei two days in advance, which is clearly disgusting him deliberately!

But what he didn't know was whether Chu Fei knew this information!

He has been in the Heaven-killing Sect for two days. During these two days, he was not at all idle and turned the Heaven-killing Sect all over the place.

The first is to find out the geographical location of Tianzong Slayer so as to formulate a retreat route.

Second, have a clear understanding of the strength and structure of the Heavenly Killing Sect.

Another one is to inquire about Chu Fei's residence and see if she can secretly take Chu Fei away.

In the first two, he did a good job, and he had a clearer understanding of both the retreat route and the strength structure.

As long as he handles it well, Chu Fei can be taken away directly.

It's a pity that the third point is that he has never inquired about Chu Fei's residence. This is not his ability and not enough, but Tian Jue has hid Chu Fei too well. There are only a few people in the entire Sect of Heaven Sect. Know Chu Fei's residence.

Soon, time flickered, and finally it was the day that Chu Fei chose her son-in-law.

On this day, the entire Celestial Killing Sect had put down what they had on hand, and took part in this grand feast of election of sons-in-law!

Even, in addition to the people from Killing Heaven Sect, people from the other three sects came!

It can be said to be full of voices and extraordinary enthusiasm.

Seeing this situation, Lin Ziming's heart was sinking continuously.

In this case, it is absolutely impossible for him to take Chu Fei away forcibly!

Only outsmart.

Soon, he thought of a way...
