

## Chapter: 2437

She was already Lin Ziming's person, and in this life, she couldn't change anymore.

However, Tian Jue didn't give her the possibility of rejection at all. He was condescending and looked at her coldly: "It's not your turn to not agree."

Chu Fei clenched her teeth and said, "But you promised, and the son of the emperor came here. Is it possible that a big man like you is also turning back!"

There were several people nearby, including Nangong Wushang, Nangong Wuxie, and some high-level disciples of the Heavenly Killing Sect. They turned a deaf ear to this situation.

Tian Jue said indifferently: "This election of son-in-law, anyone can participate. If you and Lin Ziming really have fate, he will also participate in it. If he can beat all the competitors and stand out, that is your fate. From then on From now on, I will absolutely stop obstructing."

"You!" After Chu Fei heard these words, she was very angry. She only felt that Tian Jue was incomparably shameless. Ming Jue and Lin Ziming had agreed to meet him the day after tomorrow, but now Tian Jue had two days in advance. Arranged for the election of son-in-law, Lin Ziming has received information, why would he participate!

Besides, if Lin Ziming really came here early, he would have appeared in front of her long ago...

Thinking of this, her heart felt wronged and miserable. Tian Jue felt too much, but she was incredibly helpless and helpless, because she had nothing to do.

"But, he didn't know that you were ahead of schedule, I will call him now!"

Chu Fei said, she was going to find her mobile phone.

Tian Jue stopped her and said lightly: "You don't need to call him. This is a test for him. If he can't even pass this test, then there is no fate between you."

Chu Fei was very emotional. If she could beat Tian Jue, then she promised that she would have done it to Tian Jue a long time ago.

No matter how she struggled or requested, Tian Jue still ignored her and even tapped her acupuncture point, making her unable to move and unable to resist her destiny.

Tears flowed from the corner of her eyes.

Others present saw this situation with different expressions.

Nangong Wushang is very sympathetic, but she also has no way. At this time, if she speaks for Chu Fei, not only will it be useless, but will be self-defeating. She knows her father too well and knows this kind of thing.

Once it is said, there is no room for recovery.

As for Nangong Wuxie, the smile on her face has never stopped, and she feels very happy and relieved.

There are other disciples who are considering whether to join in?

After all, if you marry Chu Fei, the eldest daughter of the suzerain, your status will definitely improve from then on.

Finally, the grand son-in-law election ceremony from Tianzong Sect completely kicked off on this day!

In the vast square, there were countless people, elites and high-level people from all over the world, from all major sects, to participate in the election of son-in-law!

Then, under everyone's gaze, a group of people walked out of the stage. It was Chu Fei, Tian Jue and others.

At this moment, Chu Fei, dressed up in a grand manner, released her beauty to the greatest extent, capturing countless brilliance for a time.

Originally, Chu Fei was a first-class beauty, no matter her facial features, figure, and temperament were impeccable, she achieved the ultimate among women.

Especially, after she practiced and reached the innate realm, her charm became even more invincible.

As she appeared, she was immediately on the court, causing a burst of exclamation and cheers.

“Wow, is this woman Tian Jue's great daughter? This is too beautiful!”

“This is a peerless beauty!”

“And she's still Tianjue's daughter. Once you marry this one, it will really be a fascinating one!!”
