

Chapter: 2440

So she looked at this man named Chu Lin very seriously, but no matter how she looked at it, she still couldn't tell whether there was any similarity between Chu Lin and Lin Ziming.

The appearance is different, the body is different, and even the temperament is different.

However, the name was full of profound meaning, and she always had an intuition in her heart, as if she had seen this Chu Lin somewhere.

Just like Chu Fei, I don't know how many people are looking at Chu Lin. They can't think of, in the martial world, when did such a strong young man come out?

Faced with this situation, Lin Ziming's performance can be described as impeccable, which makes people unable to jump out of some faults.

In the beginning, someone did connect him with Lin Ziming.

However, after careful investigation and observation, they all gradually gave up this idea, because this man named Chu Lin really had no imagination with Lin Ziming.

There were even people who deliberately touched Chu Lin's face during inspection, and found no trace of disguise, which was purely original appearance.

So they all thought that Chu Lin was Chu Lin, not Lin Ziming. After all, they have never heard of any practice in the world that can change their appearance.

There are even traces of plastic surgery. There are no traces on Chu Lin's face.

This is Lin Ziming's secret.

Except for himself, no one said it, including Whampoa Road. He also didn't tell.

In fact, he only unlocked this skill after he came out of the secret realm.

He can now arbitrarily change the appearance of his face without any traces. He guessed that this had something to do with swallowing a hundred fruits. He had always felt that after swallowing a hundred fruits, it had changed from quantity to quality.

He swallowed these hundred fruits, but not only did he improve his strength, but he also had some skills that ordinary humans didn't have.

This is also the main reason why he has enough self-confidence to come to Kill Tianzong single-handedly, and to show up in front of so many people!

Facts have proved that his approach is correct, and no one can recognize him in the entire martial art world.

In the finals, his opponent was a genius from Tianzong.

The strength has reached the realm of the gods, which is not unbelievable.

He stood on the arena, standing with his hands behind him, looking at Lin

Ziming faintly. There was no color in his eyes, and there was no too much mockery in his words, but the posture he showed was so high that there was no forest at all. Ming put it in the eye.

It's not that he is arrogant, but that he has enough self-confidence!

First of all, he is a super genius of Killing Heaven Sect, twice as tall as Xiaoyao King.

It was a master of the God-passing realm who came out of the last secret realm. Facing a junior like Chu Lin, there was nothing comparable to him.

The most important thing was that he had carefully observed Chu Lin's battles, and he believed that he had already understood Chu Lin's strength.

Although it was very good, it was a pity that compared with him, there was still a big gap.

“Chu Lin, you can make it to the finals. No one had thought of it. It shows that you have considerable strength. Not bad, very good.” He said to Chu Lin like this, with some appreciation in his tone, not bad. Although Chu Lin was his opponent, he still expressed his appreciation for Chu Lin. In his opinion, Chu Lin was his junior.
