

Chapter: 2441

Lin Ziming didn't speak, but looked at his opponent quietly. He couldn't tell where he was. The other party was a second-grade master of the God Realm. In terms of strength, he was indeed very powerful, but it was a pity that he still didn't look enough in front of him.

"You admit defeat." The other party paused and said: "You are not my opponent, I don't want to hurt you."

He said these words very calmly, but the confidence in his tone is beyond doubt.

Lin Ziming smiled faintly at this time, "If you don't try it, how do you know that I am not your opponent?"

"Ok?"

The other party frowned immediately, and there was some dissatisfaction on his face. Chu Lin's identity was good for Chu Lin's sake, and he cherished his talent, but the other party did not appreciate him. He clearly didn't put him in his eyes. For him, it was an offense.

For Chu Fei, he is bound to win.

No matter who is in front of him, he will directly crush it!

His face suddenly became gloomy a lot, he snorted, and said, "I will give you one last chance and give up, otherwise, die."

After this sentence was finished, a huge murderous intent radiated from him immediately, which swept the audience.

Lin Ziming just clenched his fists, shook his head, and said tenaciously: "I won't admit defeat!"

He is full of unyielding, full of determination, and he is obviously a small school of humble background, but he dared to challenge the Tianjiao who killed Tianzong. This kind of arrogance made many people secretly praised. Even some of the high-level members of Heaven Killing Sect showed some appreciation in his eyes.

It's just that it was an unforgivable offense to the opponent. He snorted heavily. He was murderous and no longer concealed or kept it. He said that if you don't see the coffin, you won't cry, and then he took the lead in responding. Lin Ziming shot.

As soon as he shot, it was Thunder Wanjun, a big killer, and he wanted to directly wound Lin Ziming seriously.

When many people saw this scene, they couldn't help shaking their heads, thinking that Lin Ziming must be finished.

But then, Lin Ziming's response was beyond everyone's expectation. When Lin Ziming faced this situation, he was not flustered, and he faced it calmly.

Although, in his realm, he was not as strong as his opponent.

However, his combat experience is too good, and his moves are extremely subtle.

Even under the oppression of the opponent, there is no downside, but the fight is back and forth. This powerful combat talent shocked everyone. Once again, he was surprised by this player named Chu Lin. Feel appreciation and surprise.

Even some high-level officials have thought of accepting disciples!

To them, in fact, they can see that this young man named Chu Lin is inferior to his opponent in realm, and at best he is only a first-class power.

However, because Chu Lin's combat talent was so good, he was always able to overcome dangers, that is to say, relying on his combat talents, he filled the realm gap abruptly and hit a 50-50 mark.

That opponent saw this situation, he was also greatly surprised, but more, it was extremely angry and aggrieved, his dignified slaying of the heavenly sect's arrogant, actually can't get a disciple of a small school? This is an absolute shame to him! !
