

## Chapter: 2443

“The winner this time is Chu Lin!”

The host announced loudly that Chu Lin had established himself as a champion, and as a champion, Chu Lin was qualified to marry Nangong Wuxia, that is, the heavenly daughter. This is still incomparably enviable!

For a moment, Lin Ziming immediately felt that all the people present looked at him, full of envy, jealousy...

In fact, at that moment, he couldn't help being excited. He married Chu Fei openly. This was a grand wedding he owed to Chu Fei. There was no expectation that it would be completed here by mistake. It really surprised him.

He couldn't help looking at Chu Fei, but he didn't dare to show affection. It was more of love and excitement. His performance was impeccable.

Chu Fei and him looked at each other. I don't know why. For her, this should have been a very repellent thing. However, she and this person named Chu Lin looked at each other, but they did not look like what she had imagined. Repulsion and disgust, on the contrary, there is an indescribable sense of familiarity?

Soon, Chu Fei shook her head and did not look at Chu Lin. At the same time, she was a little bit ashamed and ashamed. She was Lin Ziming's person. In this situation, she actually had feelings for another man. Unforgivable things! Chu Lin also retracted his gaze and waited for the next scene quietly.

Next, under everyone's gaze, Tian Jue brought Chu Fei down and walked in front of him. Tian Jue smiled and said, “Chu Lin.”

Chu Lin hurriedly saluted, and said respectfully: “Sovereign Lord!”

Tian Jue was very satisfied when he saw his posture. He was neither humble nor overbearing, he had good manners and qualities, and he was a good seed. “Will you marry my daughter, Nangong Wuxia?”

Tian Jue asked.

Everyone looked at Chu Lin closely.

Chu Lin took a deep breath, with excitement and tension on his face, clenched his fists, and said loudly: “I am willing! It is an honor for Chu Lin to marry Miss Nangong!”

“Okay! Very good!” After hearing what he said, Tian Jue felt extremely happy, patted Chu Lin's shoulder vigorously, and said: “Sure enough, you are the winner. Today you are the winner. From now on, you will be my god. My son-in-law.”

Chu Fei bit her lip, she couldn't help saying at this moment: “I don't want to!”

When she said these words, it immediately caused silence in the presence.

Tian Jue's face became gloomy all of a sudden, he snorted, and then smiled again, and did not respond to Chu Fei, but continued to say to Chu Lin: “It is

better to hit the sun than to choose a day, and the wedding will be held tonight. After tonight, my daughter Nangong Wuxia will be yours. You must not bully my daughter, otherwise I can't spare you."

Hearing this, Chu Lin became even more excited. He knelt down on one knee and swore: "I swear, from now on, I will live up to Miss Nangong!"

Chu Fei still wanted to talk, but Tian Jue pressed acupuncture points on her body, making her unable to speak at all.

She was in pain, tears shed in her eyes, but she had no choice but to watch her being married.

How could Lin Ziming fail to see her reaction, to be honest, his heart was quite complicated.

Chu Fei's reaction shows that she still loves him deeply.
