

Chapter: 2446

Lin Ziming's palm was immediately pushed away by her, full of repulsion and aggressiveness towards Lin Ziming.

"Feifei, it's me..."

Lin Ziming said softly, with an extremely gentle tone, as if it were the most gentle voice in the world.

And Chu Fei, who was originally very excited, was stunned after hearing his voice, her expression suddenly became extremely exciting, her eyes widened, and an incredible look, even she was the first. The reaction is to feel that I have hallucinations!

Otherwise, why would I be here and hear Lin Ziming's voice!

You know, she's killing Heavenly Sect, and sitting in front of her is another man, a guy named Chu Lin.

Therefore, she felt that she must have had hallucinations, and thought she missed Lin Ziming too much. In this case, her mental problems had already occurred!

Lin Ziming saw her like this and saw it too. Chu Fei thought she had heard it wrong. His face slowly changed, his appearance began to change, and slowly, it became his original appearance.

Chu Fei opened her eyes wide and watched, her expression was extremely wonderful. The next moment, when Lin Ziming's appearance changed back, she covered her mouth and looked at Lin Ziming in shock.

Even with her mental qualities, she was in absolute shock at this time. She couldn't believe that the person she thought of day and night would appear in front of her like this. This is completely unscientific. what.

Then, she felt that her hands were being held by a pair of warm and powerful hands, and Lin Ziming's familiar voice came again in her ears, "Feifei, I'm sorry, I'm late, this paragraph Time has caused you to suffer...I swear that I will never leave you again."

Now Chu Fei heard clearly, her tears flowed down instantly as if she didn't need money!

Her cheeks were covered in an instant, and her clothes were wet.

It really is Lin Ziming!

As a husband and wife for many years, she recognized it instantly, and the man in front of her is really her man, Lin Ziming!

This kind of feeling is really indescribable. Being a roller coaster is far from the current excitement.

Originally, she was already desperate, and she didn't think that the next moment, hope and happiness would appear in front of her.

Lin Ziming saw this reaction from her, his nose was a bit sour, and his eyes were red. He put Chu Fei into his arms directly, lowered his voice, and said incomparably missed and affectionately: "Fei Fei, I finally found you,

finally found you. You, during this time, I miss you so much, I miss you every day!”

After Chu Fei heard these words, she became even more excited, and her tears flowed more intensely. She hugged Lin Ziming tightly, and wanted to merge her body with Lin Ziming.

Never separate again.

They hugged them for a while, and finally Chu Fei said, “Ziming, is this true? Are you really appearing in front of me?”

Although she had been hugging Lin Ziming for a long time, Chu Fei couldn't believe it in her heart. This kind of thing is too mysterious.

She didn't even understand how Lin Ziming could turn into another person!
